Re: **Material Information**

Dear Sir,

This has reference to our previous letter dated August 24, 2015 regarding the shutdown of Makori Gas Processing Facility (MGPF) due to technical issues.

Based on the information received from the Operator of TAL Block, we are pleased to inform you that after required repair work, Makori Gas Processing Facility is fully functional and in operation since September 16, 2015 and production of oil, gas and LPG has been successfully restored.

The pre-commerciality working interest of Pakistan Oilfields Limited is (25%).

Yours faithfully,  
For Pakistan Oilfields Limited

  
Syed Khalid Nafees
