Dear Sir,

With reference to your letter No KSE/Gen--11544 dated Oct.,23 2009, We wish to mention that the project is closed due to financial and marketing constraints, there are no formal employees presently working with the company. We are fulfilling the legal formalities on adhoc basis, therefore you will appreciate that in this situation the fulfillment of hundred percent formalities is not possible. However we are trying to revive the project, only then we will be in a position to observe all the regulations. In view of the same you are requested to please grant an ex post facto approval for holding the AGM the notice for which has already been circulated.
