Dear Madam,

This is with reference to your letter dated May 23, 2017, bearing reference no SMD/SSED/SERT/427/2017 regarding the above cited subject; we appreciate the concern shown by you. In fact it's a matter of great concern for us also that share price has shown upward trend within a week without any reason. It is submitted here that the Company is not aware of any reason for the substantial hike in share price and volume of SERT. If there would be any material / price sensitive information in future, the same shall be disclosed by the Company in accordance with the applicable provisions of the Securities Act, 2015 and PSX Rule Book.

To address our concern we did contact our share registrar and Central Depository Company of Pakistan Limited (CDC) to find out reason behind these transactions. We were told that only after a month we can get the list of beneficial owners.

We would appreciate if your office can get the required information from Pakistan Stock Exchange Limited and share with us. We will co operate with you fully in this regard and any information received by us in this regard will be shared with you promptly.

Regards

  
Company Secretary
