All transactions with related parties to be ratified have been disclosed in the note 39 to the unconsolidated financial statements for the year ended June 30, 2018.

The company carries out transactions with its related parties on an arm's length basis as per the approved policy with respect to 'transactions with related parties' in the normal course of business and periodically reviewed by the Board Audit Committee. Upon the recommendation of the Board Audit Committee, such transactions are placed before the board of directors for approval.

Transactions entered into with the related parties include, but are not limited to, sale & purchase of goods, dividends paid and received, investments made (in accordance with the approval of shareholders and board where applicable) and sharing of common expenses.

The nature of relationship with these related parties has also been indicated in the note 39 to the unconsolidated financial statements for the year ended June 30, 2018.

2. Authorization for the Board of Directors to approve the related party transactions during the year ending June 30, 2019

The Company shall be conducting transactions with its related parties during the year ending June 30, 2019 on an arm's length basis as per the approved policy with respect to 'transactions with related parties' in the normal course of business. The majority of Directors are interested in these transactions due to their common directorship in the subsidiary / associated companies. In order to promote transparent business practices, the Board of Directors seeks authorization from the shareholders to approve transactions with the related parties from time-to-time on case to case basis for the year ending June 30, 2019 and such transactions shall be deemed to be approved by the Shareholders. The nature and scope of such related party transactions is explained above. These transactions shall be placed before the shareholders in the next AGM for their formal approval/ratification.
