Dear Sirs,

Subject: Inside/Material Information

In accordance with Section 15D of the Securities and Exchange Ordinance, 1969 read with SRO 1431 (1)/2012 dated 05 December 2012 and clause (xx) of the Listing Regulation No.35 'Code of Corporate Governance', we hereby convey the following information:

““The Company has incurred gross loss of Rs. 36.273 million during the year ended 30 June 2019. Accumulated losses of the Company as on the reporting date are Rs. 399.748 million. In September 2018, the operations of the mill were suspended. Later on, members, through a special resolution, approved the disposal of all manufacturing related assets of the Company in an EOGM held on 26 October, 2018 and an alternate business plan for trading, import and export of textile products was adopted. However, the alternate business plan became unviable due to imposition of additional taxes on textile sector and subsequently could not be implemented. It is not possible to run the Company at an economically viable level due to poor economic / market conditions for textile sector and high energy costs. 'In view of the aforesaid reasons, the Company is not considered a going concern. These financial statements have been prepared using the non-going concern basis of accounting on the basis of estimated realizable / settlement values of the assets and liabilities respectively.’””
