Subject: **Material Information**

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1 (a) of PSX Regulations, we hereby convey the following information:

The operations of the company are closed for envisaged balancing, modernization and replacement (BMR). However, the management is taking emergent measures to control erosion resulting into leakages of highly inflammable and valuable chemicals due to sudden change in weather. The company is diverting all resources towards preventive measures and is informing all the stakeholders. All safety, emergency, and environmental response protocols are being fully activated for the safety of plant & machinery, employees, environment on top priority. Further updates will be issued as more information becomes available

Yours Sincerely,
