

-
- c. Only one register of shareholders / members and one set of books and records will be required to be maintained and one set of forms will be filed with the various Government Agencies including the Registrar of Companies.
 - d. Single assessment/audit for income tax and sales tax and their filing and record keeping.
 - e. Amalgamation of the Companies would result in an improvement in the administration management of personnel affairs of the staff and the resultant administrative policies will be uniform.

The key management and technical personnel of Saritow Spinning Mills Limited and Azam Textile Mills Limited will remain the same and will continue and there will be no disruption of business activity during the post amalgamation period. Advantages of economies of scale will emanate in production, manufacturing and business operations and from sharing central services such as office management and accounting, finance, human resources and top level management.
