Dear Sir,

In accordance with Section 15D of the Securities & Exchange Ordinance, 1969 and Clause 5.19.13(c) (Code of Corporate Governance) of the KSE Rule Book, we hereby inform you that Pakistan Civil Aviation Authority has awarded a multi-year contract "Package 04A – Airport Information Management System (AIMS)", a turnkey project for New Islamabad International Airport to UUS-Joint Venture, a consortium led by Systems Limited, having equal participation with its international Partner Beijing Unistrong Science & Technology Co. Ltd through its subsidiary Top Scientific Systems Inc.

UUS-Joint Venture, a consortium led by Systems Limited in partnership with Beijing Unistrong Science & Technology Co. Ltd through its subsidiary Top Scientific Systems Inc. is pleased to announce the award of a multi-year contract, "Package 04A – Airport Information Management System (AIMS)", a turnkey project by Pakistan Civil Aviation Authority for New Islamabad International Airport. The contract value is approximately PKR 1.55 Billion.

New Islamabad International Airport, one of the most prestigious projects in Pakistan today, is a symbol of great national pride. UUS-JV brings together world-renowned technology and tried-and-tested expertise in integrated systems for one of the first-ever and the largest implementation of the Airport Information Management systems in the country.

UUS-JV partners are confident and excited to deliver the airport's IT and operational systems. As the Master Systems Integrator, UUS-JV is committed to providing reliable support and maintenance of AIMS operations for 3 years after the system goes live. UUS-JV is proud to be a part of this iconic project, which is a landmark in the history of Pakistan's aviation, as well as internationally.

Regards

Yours faithfully
