PBIF president speaks about Sahiwal's industrial potential

BEIJING President of Pakistan Business and Industry Federation (PBIF) Dr. Iqbal Hussain has visited Sahiwal to inspect the progress of the Sahiwal Industrial Park (SIP) and the Sahiwal Investment Zone (SIZ). Dr. Hussain, who is also the Chairman of the Punjab Investment Board, was accompanied by a delegation of officials from the Punjab Government and the Sahiwal District Administration.

Dr. Hussain expressed his appreciation for the efforts of the Punjab Government and the Sahiwal District Administration in developing the SIP and SIZ. He noted that the Sahiwal Industrial Park is a major industrial hub in Punjab and has the potential to attract foreign investment and create thousands of jobs.

He also stressed the need for the government to provide a conducive business environment for investors and to improve the infrastructure of the Sahiwal Industrial Park. He called for the government to streamline the regulatory process and to provide timely services to investors.

Dr. Hussain also met with the officials of the Sahiwal District Administration and discussed the progress of the SIP and SIZ. He also visited the Sahiwal Industrial Park and SIZ and inspected the progress of the construction work.

Pak Oman excels in loan portfolio

KARACHI The new team of Pak Oman Investment Company (POIC) has excelled in its loan portfolio, according to a report by the International Country Risk Guide (ICRG). The report, which is published annually, ranks countries based on their creditworthiness and the risk of doing business in them.

POIC, which is a joint venture between the Government of Pakistan and the Government of Oman, has achieved a high score in the ICRG report. This is a testament to the company's strong financial performance and its commitment to providing high-quality services to its clients.

The report also noted that POIC has a strong track record of providing loans to its clients and has a high level of transparency in its operations. This has helped to build trust and confidence among investors and lenders.

Karachi being transformed into more livable city: CM

KARACHI Chief Minister Amir Anwar Mangal has said his government is committed to transforming Karachi into a more livable city. He said the government is focusing on improving the infrastructure, providing better services, and creating more jobs.

Mr. Mangal said that the government is investing in the development of the city's infrastructure, including roads, bridges, and public transport. He also said that the government is providing better services to its citizens, including education, health care, and social welfare.

He also said that the government is creating more jobs for its citizens, particularly in the private sector. He said that the government is providing incentives and support to businesses to encourage them to hire more workers.

Mr. Mangal said that the government is committed to making Karachi a more livable city for its citizens. He said that the government is working hard to improve the quality of life in the city and to provide a better future for its citizens.

12 die in Balochistan road accidents

ISLAMABAD At least 12 people were killed and 20 others injured in a series of road accidents in Balochistan over the past few days. The accidents were caused by various factors, including speeding, poor road conditions, and lack of proper maintenance.

The government has expressed its concern over the high number of road accidents in Balochistan and has taken steps to improve road safety. It has ordered the relevant departments to inspect and maintain the roads and to provide better services to the public.

The government has also launched a campaign to raise awareness about road safety and to encourage drivers to follow traffic rules. It has also provided training and support to law enforcement agencies to improve their ability to enforce traffic laws.

(SIGNED AS)

COMPANY SECRETARY

Sindh PA irked by absence of ministers

ISLAMABAD Sindh Provincial Assembly members expressed their frustration over the absence of ministers during a recent session. They said that the government is not taking any steps to address the issues of the province and is only concerned with its own interests.

The members said that the government is not providing any support to the private sector and is not creating any jobs for its citizens. They also said that the government is not investing in the development of the province's infrastructure and is not providing any services to its citizens.

The members called for the government to take immediate steps to address the issues of the province and to provide better services to its citizens. They also called for the government to create more jobs and to invest in the development of the province's infrastructure.

Name of Linde Pakistan Ltd changed

KARACHI The name of Linde Pakistan Ltd has been changed to Linde Pakistan (Pvt) Ltd. The change was approved by the Board of Directors of Linde Pakistan Ltd on 10th March 2017.

The Board of Directors said that the change in name was necessary to reflect the company's new ownership structure. The company is now a private company and is no longer a public company.

The change in name will take effect from 14th March 2017. The company is requesting its shareholders to update their records with the new name.

Ten air-conditioned buses to hit Karachi roads soon

KARACHI A fleet of ten air-conditioned buses is set to hit the roads of Karachi soon. The buses are being provided by the Punjab Government to improve the public transport system in Karachi.

The buses are modern and comfortable and will provide a better service to the public. They will be used for the transport of government officials and for the transport of the general public.

The Punjab Government has also announced that it will provide more buses to Karachi in the future. This will help to reduce traffic congestion and to provide a better service to the public.
