Subject: **Corporate Briefing Program**

Dear Sir,

This is to inform you that Treet Corporation Limited conducted Corporate Briefing Program at Battery Project, Faisalabad Industrial Estate Development and Management Company (FIEDMC), M-3, Industrial City, Faisalabad on Saturday 16th September 2017. Analysts from all over the Country participated in the briefing.

Mr. Ali Aslam, COO Daewoo Battery, briefed the participating equity market analysts, local investors and media representatives about the progress of the plant as well as its impact on revolutionizing the battery manufacturing industry in Pakistan. He further briefed that the plant's manufacturing facilities are almost complete, and the plant shall start the trial production from Oct onwards. There is no manufacturer of maintenance-free (MF) and deep-cycle batteries for automobiles or deep cycle batteries for the UPS today. We will be the first company to introduce MF and deep-cycle technology in the country and hence would aim to enjoy the first mover advantage in the industry.

Thanking you,

Yours faithfully,
For **TREET CORPORATION LIMITED**
