Subject: **NOTICE OF REMOVAL OF SUSPENSION OF CDS ELIGIBILITY OF ORDINARY SHARES OF TRANSMISSION ENGINEERING INDUSTRIES LIMITED UNDER THE CDC REGULATIONS**

By our notice dated March 05, 2013 issued to Transmission Engineering Industries Limited (hereinafter referred to as the "Issuer") under the Central Depository Company of Pakistan Limited Regulations ("the CDC Regulations"), we suspended the CDS Eligibility of Ordinary Shares ("said Securities") of the Issuer with effect from March 06, 2013, on account of its failure to comply with Regulation 13.7.1 by submitting R/TA Reconciliation Report for the period ended June 30, 2012 along with payment of fine as imposed thereon. The said suspension was extended by CDC due to continuous non-compliance of the Issuer as notified by CDC vide notices dated May 29, 2013 and August 26, 2013.

It is now notified that, as the Issuer has complied with the Regulation 13.7.1 of the CDC Regulations by submitting the reconciliation report for the period ended June 30, 2013 duly authenticated by its Auditors along with payment of fine imposed by CDC, CDC has decided to remove the suspension of CDS Eligibility in respect of the said Securities with effect from November 05, 2013.

Regards,
