Dear Sir,

Subject: **Material Information**

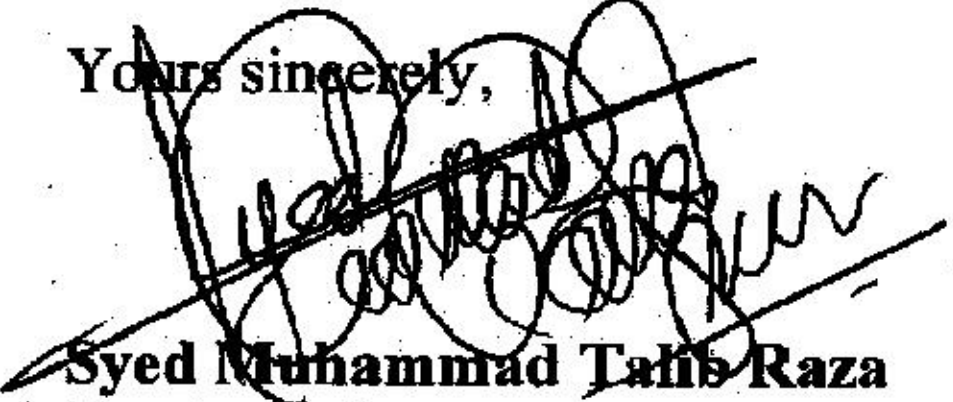

In accordance with clause (xx) of the Listing Regulation No. 35 under Code of Corporate Governance 2012, we are pleased to convey the following information:

“The Company has decided to evaluate admission to the AIM Market of the London Stock Exchange by way of placing, for one of its subsidiaries, IGS.

IGS is a leading business process outsourcer offering an integrated suite of services that support an expansive array of customer facing solutions. Headquartered in Washington DC, it delivers onshore, near shore and offshore solutions in 5 countries, across 18 call centers employing over 7000+ customer service professionals. It has experienced significant growth in its top line in the last two years and is planning to expand further. The Company believes that the proposed listing will provide it with further expansion opportunities.

If the Company decides to proceed with the listing, an application will be made to the London Stock Exchange for the Ordinary Shares of IGS to be admitted to trading on AIM. It is expected, in such an event, that Admission will become effective (and that dealings in Ordinary Shares will commence) by Q3 2013.”

Yours sincerely,

Syed Muhammad Talib Raza
