

KSE/N-4848

August 07, 2006

---

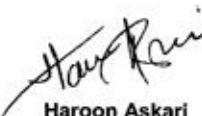

**NOTICE FOR ALL MEMBERS.**

**UIN Implementation.**

In continuation of our various Notices on the subject the Members are further advised not to change the client-codes / names entered in the trading system (TWS). They are required to ensure that client's sale/ purchase on a particular trading ticket are posted to the same client CDC account for the delivery / settlement purposes of this trade.

Compliance of this requirement will be monitored by the Exchange through system audit.

However, in case of an inadvertent mistake taking place in the input of any transaction, the members may amend their record in such circumstances provided they report such errors in writing to the exchange on the same day for its proper documentation and proof.

  
Haroon Askari  
CMO.
