Independent Auditor's Report to the members of Globe Textile Mills Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **Globe Textile Mills Limited** ("the Company"), which comprise the statement of financial position as at June 30, 2018, and the statement of comprehensive income, the statement of changes in equity, the statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2018 and of the total comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter Paragraph

We draw attention to note 7 of the financial statements that the Securities and Exchange Commission of Pakistan (SECP) vide an interim order of Enforcement Department, while disposing of the proceedings initiated against the Company, its Chief Executive Officer (CEO) and Directors for violation of provisions of Companies Ordinance, 1984 and had directed them for

the creation of advance to the CEO of the Company amounting to Rs. 53.736 million, which was admitted by him. The creation of such advance was made in order to retrieve certain financial transaction of the Company of the preceding years which were not approved by SECP.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

	Key audit matter's	How the matter was addressed in our audit
1	<p>Non-going concern basis of accounting</p> <p>The company is no longer a going concern, therefore, these financial statements have been prepared on the basis of estimated realisable / settlement values of assets and liabilities respectively. Estimated realisable value are based on management's best estimates. Estimation involves judgements based on the latest available reliable information, historical experience and other factors, including future events that are believed to be reasonable under the circumstances. Hence, the ultimate values at which assets will be valued and liabilities will be settled may be different from those carried in these financial statements</p> <p>Therefore, we identified preparation of financial statements using the non-going concern basis of accounting as a key audit matter specially with reference to the estimates and judgments associated with the determination of estimated realizable / settlement values of assets and liabilities respectively.</p>	<p>Our procedures included, but were not limited to :</p> <ul style="list-style-type: none"> • We checked compliance with "Guidelines on the Basis of Preparation of Financial Statements that Not Considered Going Concern" issued by The Institute of Chartered Accountants of Pakistan • We evaluated the estimate made by the management in arriving at realizable / settlement values of assets and liabilities respectively and the data on which it is based. • We considered events occurring up to the date of our report to obtain audit evidence regarding the estimates.

<p>2 Preparation of financial statements under the Companies Act, 2017</p> <p>The fourth schedule of the Companies Act, 2017 (the Act) became applicable for the first time for the preparation and presentation of Company's annual financial statements for the year ended June 30, 2018 as referred to in note 2.2 to the accompanying unconsolidated financial statements.</p> <p>The Act forms an integral part of statutory financial reporting framework as applicable in Pakistan and further prescribes nature and content of disclosures in relation to various elements of financial statements.</p> <p>As part of this transition to the requirement of the said fourth schedule, the management performed gap analysis to identify differences between the previous and the current reporting framework.</p> <p>Due to the first time applicability and enhanced disclosures we consider it as a key audit matter.</p>	<p>Our procedures included, but were not limited to:</p> <ul style="list-style-type: none"> • We identified the procedures applied by management for identification of changes required by the Companies Act, 2017. • We assessed the adequacy and sufficiency of disclosures provided by the management in accordance with the new reporting requirements as required by Companies Act, 2017. • We evaluated the sources of information used by the management for the preparation of additional disclosures. • We assessed the consistency of such disclosures with other information as provided in financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The management is responsible for the other information.

The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of comprehensive income, the statement of changes in equity and the cash flow statement together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in independent auditors' report is Miss Hina Kazi.

	Rs in 000's
After tax loss for the year	(1,964)
Add un-appropriated Profit brought forward	<u>(104,995)</u>
Carried to balance sheet	<u><u>(106,959)</u></u>

The Company is not in business due to past losses which is the reason for no business activity.

FUTURE OUT LOOK

Your Directors had reviewed option for the revival of the company for which the business of spinning was selected but as you are aware that in past 10-12 months periods prices of cotton has peaked and then bottomed out resulting into massive loss to various textile units besides persisting power and gas load shedding plans of utilities which is the main hindrance in revival. The shareholders in Extra Ordinary General Meeting held on 29th December, 2008 have already approved and authorised revival plan. Directors of the Company are confident to implement the revival plan as such but due to delay in implementation of the plan and large amount of accumulated losses incline us to prepare Financial statements for this year on non-going concern basis. However under the present economic circumstances, which includes the interest rate scenario the Directors are of the view that time is not yet ripe to go for revival, hence the plan has been kept on abeyance.

BREAK VALUE OF THE SHARES

The break up value per share during the year under review was Rs 3.46 as compared to Rs 3.35 in the year 2017.

کمپنی ماضی میں ہونے والے نقصانات کے سبب کاروبار نہیں کر رہی ہے، جو کہ کاروباری سرگرمیاں متاثر ہونے کی اصل وجہ ہیں۔

آئندہ امکانات:

آپ کے ڈائریکٹرز نے کمپنی کی تجدید کے آپشن کا جائزہ لیا ہے، اس کے لئے کٹائی کے کاروبار کا انتخاب کیا ہے مگر جیسا کہ آپ آگاہ ہیں کہ پچھلے 10-12 ماہ کے دوران کپاس کی قیمتوں میں بتدریج اضافہ ہوا ہے اور اس کے نتیجے میں مختلف ٹیکسٹائل اداروں کو بھاری خسارہ برداشت کرنا پڑا ہے، علاوہ ازیں بجلی اور گیس کی لوڈ شیڈنگ کے اوقات کار تجدید کی راہ میں بڑی رکاوٹ ہیں۔ حصص داران نے غیر معمولی جزل میٹنگ جو کہ مورخہ 29 دسمبر 2018ء کو منعقد ہوئی، میں تجدید ہی منصوبہ بندی کو منظور کیا ہے اور کمپنی مختار ڈائریکٹرز تجدید ہی منصوبہ بندی پر عمل درآمد کیلئے پر اعتماد ہیں، جیسا کہ روال بنیادوں پر اکاؤنٹ تیار کیا جا چکا ہے۔ تاہم موجودہ مالی حالات کو مدنظر رکھتے ہوئے، جس میں سوڈی نرغ کا منظر نامہ بھی شامل ہے، اس کے تحت ڈائریکٹرز تجدید کے جانب گامزن ہونے سے قاصر ہیں، لہذا منصوبہ عارضی تھقل کا شکار ہے۔

حصص کی اصل و تدر:

روال سال فی حصص خالص قدر 3.46 روپے رہی، جبکہ سال 2017ء میں یہ قدر 3.35 روپے تھی۔

آمدن فی حصص:

خالص خسارہ فی حصص (0.12) روپے ہوا، جبکہ سال 2017ء میں یہ خسارہ (0.57) روپے تھا۔
