VISION STATEMENT

We aim at seeing our Mills to be a model manufacturing unit producing high quality yarn by complying with the requirements of Quality Management System and continuously improving its effectiveness for total customer's satisfaction. We wish to play a leading role in the spinning sector by keeping a substantial presence in the export and local markets.

MISSION STATEMENT

1. To install state of the art machinery and to acquire sophisticated process technology to achieve maximum growth in a competitive quality environment.
2. To make strenuous efforts to enhance profitability of the mills ensuring a fair return to the investors, shareholders and employees of the Company.
3. To exercise maximum care for improvement of quality of our products by employing a team of high skilled technicians and professional managers.
4. To strive hard to develop new markets for the sale of our products in export and local markets.
5. To improve customer's satisfaction level by adhering strictly to quality requirements of our customers in local and export markets and by improving communications with customers for receiving prompt feed backs about quality of our products.
6. To attend to the prompt resolution of customer's complaints by taking timely corrective measures to re-dress the quality complaints.
7. To improve logistic facilities for our customers dispatch programme and issue all shipments / delivery documents well in time.
8. To make comprehensive arrangement for the training of our workers/technicians.
9. To promote team work, sense of transparency and creativity in our professionals and technical people.

STATEMENTS OF ETHICS AND BUSINESS PRACTICES

NAZIR COTTON MILLS LIMITED has laid down the following business ethics and principles, the observance of which is compulsory for all the directors and staff members of the company in the conduct of company's business in order to protect and safeguard the reputation and integrity of the company at all levels of its operations. Any contravention of these ethics is regarded as misconduct. The company will ensure that all the executives and subordinate staff members are fully aware of these standards and principles.

1. Conflict of interest

All staff members are expected not to engage in any activity which can cause conflict between their personal interests and company's interests, such as:

- a) In effecting the purchase for the company and selling its products, the Directors and the staff members are forbidden from holding any personal interest in any organization supplying goods or service to the company or buying its products.
- b) The staff members should not engage in any outside business while serving the company.
- c) Staff member's are not permitted to conduct personal business in company's premises or use company's facilities for the same.
- d) If a staff member has direct or indirect relationship with an outside organization dealing with the company he must disclose the same to the management.

2. Confidentially

All staff members are required not to divulge any secrets / information of the company to any outside even after leaving the service of the company unless it is so required by a court of law. During the course of service in the company they should not disseminate any information relating to business secrets of the company without the consent of management.

3. Kickbacks

All staff members are strictly forbidden not to accept any favour, gifts or kickbacks from any organization dealing with the company. In case if such a favour is considered, in the interest of the company, the same should be disclosed clearly to the management.

4. Proper Books of Accounts

All funds, receipt and disbursements should be properly recorded in the accounts books of the company. No false or fictitious entries should be made or misleading statement pertaining to the company or its operation should be issued. All agreements with agents, dealers and consultants should be made in writing supported with required evidence.

5. Relationship with Government officials suppliers and agents etc.

The dealings of the company with Government officials, suppliers, buyers, agents and consultants of the company should always be such that the integrity of the company and reputation is not damaged. Members having queries in connection with how to deal with these requirements should consult the management.

6. Health and Safety

Every staff members is required to take care of his health and safety and of those working with him. The management's responsibility for keeping its staff members insured government rules and regulations.

7. Environment

To preserve and protect the environment all staff members are required to operate the company's facilities and processes so as to ensure maximum safety of the adjoining communicates, and strive contiguously to improve environmental awareness and protections.

8. Alcohol, Drugs

All types of gambling and betting at the company's work places strictly forbidden. Also taking of any alcohols or drugs inside the work place is not allowed and any member of the staff, not abiding by these prohibitions will attract disciplinary as well as penal action under the law.

9. Coordination among staff members to maintain Discipline

All staff members will work in close coordination with their co-workers, superiors and colleagues. Every member will cooperate with other members so that the company's work carried out effectively and efficiently. All case of non-cooperation among staff members should reported to the management for necessary and suitable action. Strict disciplinary action will be taken against those staff members who violate the rules and regulations of the company.

10. Workplace harassment

All members of the staff will provide an environment that free from harassment and in which all employees are equally respected. Work place harassment means any action that creates an intimidating, hostile or offensive environment which may include sexual harassment, disparaging remarks based on gender, religious, race or ethnicity.

REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of Nazir Cotton Mills Ltd. ("the Company") for the year ended June 30, 2014, to comply with the Listing Regulations of the respective Stock Exchanges, where the Company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the statement of compliance reflects the status of the Company's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Company personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

Further, Listing Regulations of the Karachi Stock Exchange require the Company to place before the Board of Directors for their consideration and approval related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the audit committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Company for the year ended June 30, 2014.

Annual Report 2014

NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the 41st Annual General Meeting of the Shareholders of NAZIR COTTON MILLS LIMITED will be held at Company's Registered Office, 61-K Gulberg III, Lahore on October 31, 2014 (Friday) at 10:00 AM to transact the following business:-

1. To confirm the minutes of the Annual General Meeting of the Company held on October 31, 2013
2. To receive, consider and adopt the Audited Accounts of the Company for the year ended June 30, 2014 together with the Directors' and Auditors' Report thereon.
3. To appoint Auditors and fix their remuneration for the year ended June 30, 2015

Special Business:

To consider and if thought fit to pass the following resolutions:-

Resolved that the company is hereby authorized to place its accounts on its website in term of the provision of the SECP Circular No. 19 of 2004, dated April 15, 2004 (as amended) subject to the company becoming listed on the stock exchange of Pakistan.

Resolved further that the Chief Executive Officer and /or the Company Secretary of the Company be and hereby authorized to apply for and obtain all requisite consents, permissions and approvals including from the Securities and Exchange Commission of Pakistan and the Stock Exchange for the placement of the company's accounts on the website in the terms of the provisions of the SECP Circular No. 19 of 2004, dated April 15, 2004 (as amended)

By Order of the Board

Lahore:
Dated: October 09, 2014

(MIAN SHAHZAD ASLAM)
Chief Executive

Notes:

1. A member eligible to attend and vote at this Meeting may appoint another member as his/her proxy to attend and vote instead of him/her. Proxies in order to be effective, must be received at 61-K Gulberg III, Lahore the Registered Office of the Company not later than 48 hours before the time of the meeting and must be duly stamped, signed and witnessed.
2. The Share Transfer Books of the Company will remain closed from October 24, 2014 to October 31, 2014 (both days inclusive).
3. Members are requested to immediately notify the change in their addresses, if any.

Statement under Section 160(1)(b) of the Companies Ordinance, 1984 in respect of the Special Business:

Section 245 of the Companies Ordinance, 1984 (the "Companies Ordinance"), inter alia, requires listed companies to prepare and transmit to its shareholders and the Stock Exchanges (on which its shares are quoted) a profit and loss account for, and balance sheet as at the end of each quarter.

The Securities and Exchange Commission of Pakistan ("SECP") received proposal from listed companies suggesting that sending periodical accounts to all shareholders by post is a costly and cumbersome exercise and the objective of the statutory provisions of section 245 of the Companies Ordinance would be achieved if listed companies are allowed to place their quarterly accounts on their website instead of transmitting the same to the shareholders by post.

The SECP examined the proposal and after due consideration allowed listed companies through SECP Circular No. 19 of 2004, dated April 15, 2004, to place their quarterly accounts on the company's website, which is treated as compliance with the provisions of section 245 of the Companies Ordinance subject, inter alia, to a shareholders consent in general meeting.

As the Company is proposed to be listed on the Stock Exchange of Pakistan it would be in the interest of the Company, on becoming listed, to place its quarterly accounts on its website in terms of the provisions of SECP Circular No. 19 of 2004, dated April 15, 2004. Placing of quarterly accounts on the Company's website would be beneficial to the Company and its shareholders as the cost of printing and posting of quarterly accounts would be avoided. In addition to transmitting its accounts on its website, the Company would continue to furnish prescribed copies of its quarterly accounts to the SECP and the Stock Exchange. Further, the Company would on demand by a shareholder provide him a copy of the quarterly accounts at free of any cost.

DIRECTORS' REPORT TO THE SHAREHOLDERS

The directors of your company welcome you to the Annual General Meeting and are pleased to present the company's audited financial statements for the year ended June 30, 2014.

Performance Review

The year under review shows that the company has suffered net loss of Rs.3.43 Million after accounting for administrative expenses of Rs. 3.62 Million including depreciation of Rs.0.1 Million, and finance cost of Rs. 0.001 Million as compared to last corresponding year's net loss of Rs. 5.06 Million. The cash liquidity was squeezed and the company was not able to meet its obligations in respect of repayment of borrowings and finance cost accrued thereon. As a result of this banks did not restore the credit facilities of the company which were suspended. Moreover, the financial institutions have instituted the recovery suit against the company in the Honorable High Courts. Owing to this factor, the management of the company was compelled to suspend its own operation of mills.

Financial Results

The year under review was not good as the textile industry in Pakistan is still facing difficult period. The financial results of the company for the year under the review are as under:

	2014	2013
	Rupees	Rupees
Operating Profit/(Loss)	(3,620,157)	(3,837,663)
Financial charges	(1,376)	(4,865,595)
Other income	195,084	3,641,621
(Loss)/Profit before taxation	(3,426,449)	(5,061,637)
Taxation	-	-
(Loss)/Profit after taxation	(3,426,449)	(5,061,637)
Accumulated loss brought forward	(517,650,571)	(512,588,934)
Loss available for appropriation	(521,276,520)	(517,650,571)

Loss per share

Based on net loss for the year ended June 30, 2014, the loss per share is Rs. (0.15) as compared to the loss per share of Rs. (0.23) in the preceding year ended June 30, 2013.

Dividend

No dividend has been declared by the company during the year due to loss

Auditors Report

The Auditors M/s Ale Imran & Co. Chartered Accountants in their report for the year ended June 30, 2014 have highlighted about the doubt of the going concern of the company in the lights of presents facts and situations.

however, the management is hopeful that the company will start its commercial production, with the help of investemnt of the sponser.

Future Prospects

The textile industry is unable to continue its business without the support of banks. Therefore the management of the company is under negotiation with the banks making all efforts to settle the cases into a Compromise Agreement with the banks. The management is fully aware of present challenges facing the textile industry specially spinning and making their efforts to revive the operation of mills subject to support of banks. However, the sponsors have decided to inject fresh sponsor loan to start the commercial production. The management is hopeful that the company will start its commercial production in near forcible future.

Corporate Governance

As required by the Code of Corporate Governance, directors are pleased to report that:

- a. The financial statements prepared by the management of the company present fairly its state of affairs, the results of its operations, cash flows and changes in equity. With the closure of mills' operations and financial reporting requirements of the Code of Corporate Governance, the management has changed its basis of accounting; therefore, the financial statements for the year under reference have been drawn on estimated realizable (settlement) value of assets and liabilities respectively in addition to the historical cost convention.
- b. Proper books of accounts have been maintained by the company.
- c. Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- d. International Financial Reporting Standards, as applicable in Pakistan have been followed in preparation of financial statements and any departures there from has been adequately disclosed and explained.
- e. The system of internal control is sound in design and has been effectively implemented and monitored.
- f. The significant doubts upon the company's ability to continue as a going concern have been adequately disclosed in the financial statements.
- g. There has been no material departure from the best practices of Corporate Governance as detailed in the listing regulations of the stock exchanges.

Board of directors meeting

During the year, four (4) Meeting of the Board of Directors were held. Attendance by each Director at the Board Meetings as under:-

<u>Name of the Directors</u>	<u>No. of Meetings Attended</u>
Mian Shahzad Aslam	4
Mian Faruukh Naseem	4
Mian Aamir Naseem	4
Maqbool Hussain Bhutta	4
Mr.muhammad Asghar	4
Mr.Mudassar hussain	4
Mr.Nadeem Anjum	4

NAZIR COTTON MILLS LIMITED
AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of Nazir Cotton Mills Ltd. as at June 30, 2014 and the related profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- (A) The balances of bank loans Rs.155.83 million (Note # 9), remained unsubstantiated for want of confirmatory certificates from the financial institutions.

Except for the effects on the financial statements of the matters stated above, we report that:

- (B) in our opinion, proper books of accounts have been kept by the company as required by the Companies Ordinance, 1984;
- (C) in our opinion:
- (i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of account and are further in accordance with accounting policies consistently applied;
 - (ii) the expenditure incurred during the year was for the purpose of the company's business; and
 - (iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the company;
- (D) in our opinion except for the effect of matters referred in paragraph (A) and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, given the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of company's affairs as at June 30, 2014 and of the loss, its cash flows and changes in equity for the year then ended; and

- (E) in our opinion no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII 1980).

We draw attention to the Note # 1.4 to the financial statements, which states that these statements have been prepared on the basis of estimated realizable/settlement values of assets and liabilities respectively in addition to historical cost convention as the company is no longer a going concern for the reasons stated in the aforesaid note.

CHIEF EXECUTIVE

DIRECTOR

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2014**THE COMPANY & ITS OPERATIONS**

Nazir Cotton Mills Limited is a Public Limited Company incorporated in Pakistan under the Companies Act, 1913 (Now Companies Ordinance, 1984) and its shares are quoted on Karachi Stock Exchange of Pakistan. The Company is engaged in manufacturing, selling, buying and dealing in Yarn of all types. The registered office of the Company is situated at 61-K, Gulberg III, Lahore. Park Lahore Cantt. The manufacturing unit is located at 8-KM, Faisalabad Road, Aslamabad, Khareenkala, Sheikhpura.

1. BASIS OF PREPARATION**1.1 Basis of accounting**

The Company has incurred after tax loss of Rs. 3.42 million and has accumulated loss of Rs. 521.28 million resulting in negative equity of Rs. 245.49 million and its total liabilities exceed its total assets by Rs. 245.49 million as at June 30, 2014. Further more company has temporarily closed down its business operations. The matter of repayment of long term loans and markup thereon is in court. The short term borrowing facilities stand expired. Due to continuing cost escalation of raw material, increase in energy cost, extensive load shedding of electricity and scarce availability of funds, it has become beyond the control of the management to run the company at an economically viable level. Hence, the operation of the mill were suspended.

These conditions indicate the existence of material uncertainty which may cast doubt about the Company's ability to continue as a going concern. In view of the financial reporting requirements of Code of Corporate Governance, these financial statements have been prepared on the basis of estimated realizable / settlement values of assets and liabilities respectively in addition to historical cost convention. All assets and liabilities in these financial statements have been presented in the order of liquidity.

1.2 Statement of Compliance

These financial statements have been prepared in accordance with the requirements of the Companies Ordinance, 1984 (the Ordinance), directives issued by the Securities and Exchange Commission of Pakistan (S.E.C.P.) and approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provisions or directives of the Companies Ordinance, 1984 shall prevail.

1.3 Basis of Measurement

These financial statements have been prepared under the historical cost convention except as explained in relevant notes.

1.4 Accounting convention

Keeping in view the fact that the Company may not be able to continue as going concern, these financial statements are prepared on the basis of realizable / settlement values of assets and liabilities respectively. In realizable / settlement value basis, assets are carried at amount of cash and cash equivalents that could currently be obtained by selling the assets in an orderly disposal. Liabilities are carried at their settlement values, that is, the undiscounted amounts of cash or cash equivalents expected to be paid to satisfy the liabilities in the normal course of business. Realizable / settlement values of assets and liabilities respectively as disclosed in the balance sheet are based on the management's best estimate. In addition to the accounting convention of realizable / settlement values of assets and liabilities, these financial statements have also been prepared under the historical cost convention.

1.5 Standard, amendments to approved accounting standards and interpretations to approved accounting standards that are effective in the current year

Following are certain new standards, amendments to approved accounting standards and interpretations that are mandatory for accounting periods beginning on or after July 1, 2011, but are considered not to be relevant or did not have any significant impact on the Company's financial statements.

- a) IAS 1 (Amendments), 'Presentation of Financial Statements' is effective for annual periods beginning on or after January 1, 2011. The amendment clarifies that an entity may choose to present the required analysis of items of other comprehensive income either in the statement of changes in equity or in the notes to the financial statements.
- b) IAS 24 (Revised), 'Related Party Disclosures', is effective for annual periods beginning on or after January 1, 2011. The definition of a related party has been clarified to simplify the identification of related party relationships, particularly in relation to significant influence and joint control.
- c) IAS 34 (Amendment), 'Interim financial reporting', is effective for annual periods beginning on or after January 1, 2011. The amendment provides guidance to illustrate how to apply disclosure principles in IAS 34 and add disclosure requirements around the circumstances likely to affect fair values of financial instruments and their classification, transfers of financial instruments between different levels of the fair value hierarchy, changes in classification of financial assets and changes in contingent liabilities and assets.
- d) IFRIC 14 (Amendment), 'Prepayments of a minimum funding requirement', is effective for annual periods beginning on or after January 1, 2011. IFRIC 14 provides further guidance on assessing the recoverable amount of a net pension asset. The amendment permits an entity to treat the prepayment of minimum funding requirement as an asset.
- e) IFRS 7 (Amendment), 'Financial Instruments: Disclosure', is effective for annual periods beginning on or after January 1, 2011. The amendment emphasizes the interaction between quantitative and qualitative disclosure and the nature and extent of risks sister with financial instruments.
- f) IFRS 7 (Amendment), 'Financial Instruments: Disclosure', is effective for annual periods beginning on or after January 1, 2011. The amendment requires additional quantitative and qualitative disclosures relating to transfer of financial assets, where financial assets are derecognized in their entirety, but where the entity has a continuing involvement in them (e.g. options or guarantees on the transferred assets) or where financial assets are not derecognized in their entirety.
- g) IAS 32 (Amendment), 'Classification of rights issues', issued in October 2009. The amendment addresses the accounting for rights issues that are denominated in a currency other than the functional currency of the issuer. Provided certain conditions are met, such rights issues are now classified as equity regardless of the currency in which the exercise price is denominated. Previously, these issues had to be accounted for as derivative liabilities.
- h) IFRIC 19, 'Extinguishing financial liabilities with equity instruments'. The interpretation clarifies the accounting by an entity when the terms of a financial liability are renegotiated and result in the entity issuing equity instruments to a creditor of the entity to extinguish all or part of the financial liability (debt for equity swap). It requires a gain or loss to be recognized in profit or loss, which is measured as the difference between the carrying amount of the financial liability and the fair value of the equity instruments issued. If the fair value of the equity instruments issued cannot be reliably measured, the equity instruments should be measured to reflect the fair value of the financial liability extinguished.

1.6 Standard, amendments to approved accounting standards and interpretations that are published and considered relevant but not yet effective

Following new standards and amendments to existing standards have been published that are mandatory for accounting periods beginning on the dates mentioned below, however, these amendments are not expected to have significant impact on the financial statements:

- a) IFRS 9, 'Financial Instruments' (effective for the periods on or after January 1, 2015). This is the first standard issued as a part of a wider project to replace IAS 39, 'Financial Instruments: Recognition and measurement'. IFRS 9 retains but simplifies the mixed measurement model and establishes two primary measurement categories for financial assets at (a) amortized cost and (b) fair value. The basis of classification depends on entity's business model and the contractual cash flow characteristics of the financial asset.
- b) IAS 1 (Amendments), 'Presentation of Financial Statements' (effective for the periods beginning on or after July 1, 2012). The main change resulting from these amendments is a requirement for the entities to group items presented in "other comprehensive income" on the basis of whether they can be potentially reclassified to profit and loss subsequently (reclassification adjustments).
- c) IAS 19 (Revised) 'Employee Benefits' (effective for the periods beginning on or after January 1, 2013). It eliminates the 'corridor method' for recognizing actuarial gains and losses and make it mandatory for all the actuarial gains and losses to be recognized immediately and replaces interest cost and expected return on plan assets with a net interest amount that is calculated by applying the discount rate to the net defined benefit liability / asset.
- d) IAS 12 (Amendments), 'Deferred tax on investment property' (effective for annual period beginning on or after 1 January 2012). The amendment provides an exception to the measurement principle in respect of investment property measured using the fair value model in accordance with IAS 40 Investment Property.
- e) IAS 32 (Amendments), 'Financial instruments: Presentation on offsetting Financial Assets and Financial Liabilities' (effective for annual periods beginning on or after 1 January 2014). The amendments address inconsistencies in current practice when applying the offsetting criteria in IAS 32 Financial Instruments.
- f) IFRS 7 (Amendments), 'Offsetting Financial Assets and Financial Liabilities' (effective for annual periods beginning on or after 1 January 2013). The amendments to IFRS 7 contain new disclosure requirements for financial assets and liabilities that are offset in the statement of financial position or subject to master netting agreement or similar arrangement.
- g) Annual Improvements 2009-2011 (effective for annual periods beginning on or after 1 January 2013). The new cycle of improvements contains amendments to the following standards, with consequential amendments to other standards and interpretations.
 - i) IAS-1 "Presentation of Financial Statements".
 - ii) IAS-16 "Property, Plant and Equipment".
 - iii) IAS-32 "Financial Instruments: Presentation".
 - iv) IAS-34 "Interim Financial Reporting".
 - v) IFRS-9 "Financial Instruments".
 - vi) IFRS-10 "Consolidated financial information".
 - vii) IFRS-12 "Disclosure on interest in other entities".
 - viii) IFRS-13 "Fair value measurements".
 - ix) IAS-27 "Separate financial statements".
 - x) IAS-27 "Associates and joint ventures".

1.7 Standard, amendments to approved accounting standards and interpretations that are not yet effective and are not considered relevant

There are other new accounting standards, amendments to approved accounting standards and interpretations that are mandatory for future years. However, these are not expected to affect materially the financial statements of the Company.

1.8 Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (the functional currency), which is the Pakistan Rupee (Rs).

1.9 Critical Accounting Estimate & Judgments

The preparation of financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires management to make estimates, assumptions and use judgments that affect the application of policies and reported amount of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The estimates underlying the assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affect only that period, or in the period of revision in future period if the revision affects both current and future periods.

Significant areas requiring the use of management estimates in the financial statements are stated below:

Property, Plant and Equipment

The Company reviews appropriateness of the rates of depreciation / useful lives and residual values used in the calculation of depreciation at each financial year end. Any change in estimate in future might effect the carrying amounts of the respective item of property, plant and equipments with corresponding effect on the depreciation charge and impairment.

Taxation

In making the estimate for income tax payable, the company takes into account the applicable tax laws. Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts use for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary difference when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Significant judgment is exercised to determined the amount of net deferred tax liabilities to be recognized.

Provisions

The Company reviews its doubtful balances at each balance sheet date to assess the adequacy of the provision there against. In particular, judgment is required in the estimation of the amount and timing of future cash flows when determining the level of provision required. Such estimates are based on assumptions about a number of factors and actual results may differ, resulting in future changes to the provision.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Staff retirement benefits

Defined contribution plan

The Company operates a recognized provident fund scheme for all its permanent employees. Monthly contribution is made to the fund at the rate of 6.25% of basic salary of the employees. There are no employees falling under the gratuity scheme as at June 30, 2013.

2.2 Provisions

A provision is recognized in the balance sheet when the company has a legal or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made to the amount of obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect current best estimate.

2.3 Trade and Other Payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the company.

2.4 Taxation

Current:

Provision of current tax is based on taxable income for the year determined in accordance with the prevailing law for taxation of income. The charge for current tax is calculated using prevailing tax rates or tax rates expected to apply to the profit for the year if enacted. The charge for current tax also includes adjustments, where considered necessary, to provision for tax made in previous years arising from assessments framed during the year for such years.

Deferred:

Deferred tax is accounted for using the balance sheet liability method in respect of all taxable temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax is not recognized for the following temporary differences: the initial recognition of assets or liabilities in a transaction that is not a business combination; and that affects neither accounting nor taxable profit or loss, and differences arising on the initial recognition of goodwill.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on tax rates that have been enacted. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

2.5 Property, Plant and Equipment

Property, plant & equipment is stated at cost less accumulated depreciation and impairment loss, if any, except for freehold land which is stated at cost. Cost of these assets consists of historical cost and directly attributable costs of bringing the assets to working condition. Subsequent costs are included in the assets carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Cost incurred to replace a component of an item of property, plant and equipment is capitalized and the asset so replaced is derecognized. Borrowing costs pertaining to the construction and erection are capitalized up to the date of completion. Depreciation on property, plant & equipment is charged to income on reducing balance method at the rates specified in note No.13 to the accounts to write off the cost over their estimated useful lives. Depreciation on addition and deletion is charged on the basis of number of days the asset remains in use of the company. Assets' residual values, useful life and depreciation rates are reviewed and adjusted, if appropriate, at each balance sheet date. Any impairment loss, or its reversal, is also charged to income. When an impairment loss is recognized, the depreciation charge is adjusted in future periods to allocate the assets' carrying amount less the residual value over its estimated useful life. Normal repair and maintenance is charged to income as and when incurred. Major renewals and improvements are capitalized.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefit are expected from its use or disposal. Any gain and losses on disposal or de-recognition (calculated at the difference between the net disposal proceeds and carrying amount of the asset) is taken to profit and loss account.

2.6 Leases

Assets subject to finance lease are stated at lower of present value of minimum lease payments under the lease agreements and the fair value of the assets. The related obligations of the lease are accounted for as liabilities. Financial charges are allocated to the accounting periods in a manner so as to provide a constant periodic rate of charge on the outstanding liabilities. Depreciation on these assets is charged in line with normal depreciation policy adopted for assets owned by the company.

2.7 Investments

All investments are initially recognized at cost, being fair value of the consideration given including acquisition charges associated with investments and are classified as either Held for Trading or Available for Sale. After initial recognition, investments Held for Trading or Available for Sale are measured at fair value.

Gains and losses on Investments Held for Trading are recognized in income. Gains and losses on Investments Available for Sale are recognized as separate component of equity until investments are sold, disposed off or determined to be impaired, at which time the accumulated gain/loss previously reported in equity is included in income.

2.8 Stores and spares

These are valued at weighted average cost. Items in transit are valued at cost comprising invoice value and other incidental charges thereon.

2.9 Stocks in trade

These are value at lower of cost or net realizable value. Cost is calculated as follows

- Raw materials - at lower of weighted average cost
- Work in process - at direct material cost plus appropriate proportion of production overheads
- Finished goods - at estimated manufacturing cost
- Wastes - at net realizable value

Net realizable value signifies the prevailing market prices in the ordinary course of business less selling and distribution expenses incidental to sales.

Raw materials in transit are valued at cost comprising invoice value plus incidental charges paid thereon.

2.10 Trade & other receivables

Trade debts are recognized and carried at original invoice amount less an allowance for any uncollectible amount. An estimated provision for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written-off as incurred. Other receivables are recognized at nominal amount which is the fair value of the consideration to be received less an allowance for any uncollectible amount.

2.11 Financial instruments

Financial instruments carried on the balance sheet include bank balances, advances, deposits, other receivables, trade and other payables, short term borrowings, mark-up, loan from ex-chief executive, etc. Financial assets and liabilities are initially recognized at fair value at the time the company becomes a party to the contractual provisions of the instruments. The particular measurement methods adopted are disclosed in the individual policy statements associated with the each item. Financial assets are derecognized when the company loses control of the contractual rights that comprise the financial asset. The company loses such control if it realizes the rights to benefits specified in contract, the rights expire or the company surrenders those rights. Financial liabilities are derecognized when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on subsequent measurement and derecognition is charged to the profit or loss currently.

a) Trade & Other Payables

Liabilities for trade and other payables are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received.

b) Trade & Other Receivables

Trade and other receivables are recognized and carried at original invoice amount / cost less an allowance for any uncollectible amounts. Carrying amounts of trade and other receivables are assessed on a regular basis and if there is any doubt about the reliability of these receivables, appropriate amount of provision is made.

c) Off Setting of Financial Assets and Financial Liabilities

Financial assets and financial liabilities are off set and the net amount is reported in the financial statements when there is a legally enforceable right to off set and the company intends either to settle on a net basis, or to realize the asset and to settle the liabilities simultaneously.

d) Mark-up bearing borrowings

Mark-up bearing borrowings are recognized initially at cost being the fair value of consideration received, less attributable transaction costs. Subsequent to initial recognition, mark-up bearing borrowings are stated at original cost less subsequent repayments.

2.12 Borrowing costs

Mark-up, interest and other charges on borrowings which are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of that asset. All other borrowing costs i.e. mark-up, interest and other charges are charged to the profit and loss account in the period in which they are incurred.

2.13 Impairment

a) Financial Assets

A financial asset is considered to be impaired if objective evidence indicate that one or more events had a negative effect on the estimated future cash flow of that asset. An impairment loss in respect of a financial asset measured at amortized cost is calculated as a difference between its carrying amount and the present value of the estimated future cash flows discounted at the original effective interest rate. Individually significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristics.

b) Non-Financial Assets

The carrying amount of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such indications exist, the asset's recoverable amount is estimated in order to determine the extent of the impairment loss, if any. Impairment loss is recognized as expense in the profit and loss account. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

2.14 Revenue recognition

Revenue comprises the fair value of the consideration received or receivable for that sale of goods in the ordinary course of the Company's activities. Revenue is recognized when it is probable that the economic benefits associated with the transaction will flow to the Company and the amount of revenue, and the associated cost incurred or to be incurred, can be measured reliably and when specific criteria have been met for each of the Company's activities as described below:

- Local sales are recognized on dispatch of goods to customers.
- Profit on bank deposits is recognized on a time proportion basis that takes into account the effective yield on the deposits.
- Dividend on equity investments is recognized as income when the right to receive the Dividend is established.

2.15 Cash and Cash Equivalents

For the purpose of the cash flow statement, cash and cash equivalents consist of cash in hand, cheques in hand, deposits in banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of change in value.

2.16 Related Party Transactions

All transactions between company and related party are accounted for at arm's length price in accordance with 'Comparable Uncontrolled Price Method'.

2.17 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

2.18 Contingent Liabilities

Contingent liability is disclosed when the Company has a possible obligation as a result of past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or the Company has a present legal or constructive obligation that arises from past events but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

2.19 Share Capital

Ordinary shares are classified as equity and recognized at their fair value. Incremental costs directly attributable to the issue of new shares or options are shown in equity as deduction, net of tax, from the proceeds.

Samba Bank Limited and National Bank Limited filed suit before the Honorable Lahore High Court for the recovery of their outstanding liabilities. In this regard the moveable and immoveable properties were ordered by the Honorable High Court to be auctioned and Court auctioneers were appointed by the Lahore High Court on March 08, 2009. Proposed terms of auction have been submitted by the learned Court Auctioneer in this regard. These assets have been classified as held for sale and measured at lower of carrying value or fair value less costs to sell.

9.1 The loan is secured against equitable mortgage charge on all the entire present and future fixed assets, hypothecation charge on all the present and future current assets and personal guarantees of all the directors of the Company. This loan was earlier settled by the State Bank of Pakistan in December 29, 2004 which had resulted in reduction of the liability by Rs. 3,580 million with no further markup to be provided subject to provisions that if the Company failed to repay any of the installment than the agreement would stand cancelled and the bank would be entitled to recover the original outstanding amount without any reduction. However, the Company failed to repay the installments and the Bank filed a case for recovery of its original liability. This loan does not carry any further markup as the Bank is only entitled to recover its original outstanding liability without any further markup, hence no markup has been provided.

9.2 This loan was created by payment of mark-up, exchange risk fee, letter of credit and letter of guarantee commissions on machinery supplier credit obtained (on a guarantee established by Doha Bank Limited) from Toyota Tsusho (Hong Kong) Co. Limited. This loan was earlier settled by the State Bank of Pakistan in December 29, 2004 which had resulted in the liability being settled at Rs. 230,775 million out of which Nazir Cotton is treating Rs. 60,141 million as its liability and the balance liability is appearing in the books of Silver Fiber Mills Limited. The liability of the Company was reduced by Rs. 17,308 million with no further markup to be provided subject to provisions that if the Company failed to repay any of the installment than the agreement would stand cancelled and the bank would be entitled to recover the original outstanding amount without any reduction. However, the Company failed to repay the installments and the Bank filed a case for recovery of its original liability. The Company filed a suit against the Bank and State Bank of Pakistan for settlement of dispute under BPD circular 29 before Honorable Sindh High Court. The Honorable Sindh High Court decided that the matter be remanded back to the State Bank of Pakistan for decision afresh under BPD circular 29. The Bank filed petition in the Honorable Supreme Court of Pakistan against judgement of Honorable Sindh High Court, which is pending for adjudication. This loan does not carry any further markup as the Bank is only entitled to recover its original outstanding liability without any further markup, hence no markup has been provided. The Bank confirmed the total outstanding balance of Rs.507,468,834. This

new

The loan was repayable in sixteen quarterly installments w.e.f. April 1, 1999. It carries mark-up @ 20% per annum. Accrued mark-up has been frozen and kept in a separate account. The mark-up on diminishing principal is also being kept in same account and repayment of this mark-up would start subject to the entire repayment of the principal amount. This loan and mark-up account are secured by Personal guarantees of directors except nominee director and mortgage of fixed assets to the tune of Rs.20 million. The liquidator of Islamic Investment Bank has been appointed. The management is of the opinion that as the bank is a shareholder in the profit/(losses) and that the matter is pending in the Peshawar court of law of the Company, therefore, mark-up is payable. The company has filed a suit against the bank to recover the share of losses amounting to Rs. 110.0 (M).

12 CONTINGENCIES & COMMITMENTS

- Honorable Lahore High Court on a suit file by Samba Bank has decreed against the Company for a sum of Rs. 260.0 million. The company has filed an appeal in the Honorable Supreme Court which is still pending. However, the Samba Bank has claimed the total outstanding balance of Rs.507,468,634. This includes principal outstanding of Rs. 216,099,263, Markup of Rs. 47,162,615, Letter of Guarantee of Rs. 4,052,000, and Markup from 22/12/99 to 28/03/07 of Rs. 240,154,756. The management is hopeful of a decision in their favour.
- Islamic Investment Bank (in liquidation) and case has been shifted from Lahore High Court to Peshawar High Court because, the liquidation process will be completed in Peshawar. This loan and mark-up account are secured by Personal guarantees of directors except nominee director and mortgage of fixed assets to the tune of Rs.20.0 million. The liquidator of Islamic Investment Bank has been appointed. The management is of the opinion that as the bank is a shareholder in the profit/(losses), therefore, the company has filed a suit against the bank to recover the share of losses amounting to Rs. 110.0 (M) and that the matter is pending in the Peshawar High Court, hence, no markup is payable.

- c) Decree in favor of National Bank of Pakistan has been issued for amounting to Rs. 10.0 (M) by the Banking Court-Lahore 2011. The auction was held in two turns, but, the prospective buyer is not willing to buy the auctioned assets.
- d) WAPDA had filed a suit against the company for recovering of arrears amounting to Rs. 12.4 (M). The Lahore High Court had decided the case in favor of WAPDA. The company had deposited Rs. 12.4 (M) with WAPDA for electricity case as per orders of the Lahore High Court and has filed an appeal for recovery of the said amount from WAPDA in the Supreme Court. The management is hopeful of a decision in their favour.

Loss Per Share - Basic	(0.15)	(0.23)

21 FINANCIAL RISK MANAGEMENT**21.1 Risk management framework**

The Company's activities expose it to a variety of financial risks. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board is also responsible for developing and monitoring the Company's risk management policies.

The Board meets frequently throughout the year for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

21.2 Fair Value

The carrying values of the financial assets and financial liabilities approximate their fair values except for Deferred sponsors' loan and loan from related parties disclosed in note 5 to the financial statements. Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. If the transaction is not based on market terms, or if a market price cannot be readily determined, then an estimate of future cash payments or receipts, discounted using the current market interest rate for a similar financial instrument, is used to approximate the fair value.

21.3 Financial Risk Factors

The Company has exposures to the following risks from its use of financial instruments:

- Credit Risk
- Liquidity Risk
- Market Risk

21.3.1 Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from long term security deposits, loans and advances to employees, deposits, trade debts, other receivables and bank balances.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. To manage exposure to credit risk in respect of trade receivables, management reviews credit worthiness, references, establish purchase limits taking into account the customer's financial position, past experience and other factors.

Concentration of credit risk arises when a number of counter parties are engaged in similar business activities or have similar economic features that would cause their abilities to meet contractual obligation to be similarly affected by the changes in economic, political or other conditions. The Company believes that it is not exposed to major concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure before any credit enhancements. The maximum exposure to credit risk at the reporting date was:

	2014 Rupees	2013 Rupees
Cash in Hand	18,404	28,132
Advances, Deposits, Prepayments & Other Receivables	12,501,786	12,474,736
Trade Debts	2,827,973	2,827,973
Bank Balances	155,615	264,282
	15,503,778	15,595,123

21.3.2 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions. Liquidity position of the Company is closely monitored through budgets, cash flow projections and comparison with actual results by the Board.

Following is the maturity analysis of financial liabilities:

	156,206,721	137,383,664	293,590,385

The contractual cash flows relating to the above financial liabilities have been determined on the basis of mark-up rate effectively as at June 30, 2014. It is not expected that the cash flows included in the maturity analysis could occur significantly earlier or at significantly different amounts.

21.4 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to change in credit rating of the issuer of the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. The Company incurs financial liabilities to manage its market risk. All such activities are carried out with the approval of the Board. The Company is exposed to interest rate and currency risks.

a) Currency Risk

Currency Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The company is not significantly exposed to currency risk as the company does not maintain bank accounts in foreign currencies.

b) Interest Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates. Significant interest rate risk exposures are primarily managed by a mix of borrowings at fixed and variable interest rates and entering into interest rate swap contracts.

22 CAPITAL RISK MANAGEMENT

The Board's policy is to maintain an efficient capital base so as to maintain investor, creditor and market confidence and to sustain the future development of its business. The Board of Directors monitors the return on capital employed, which the Company defines as operating income divided by total capital employed. The Board of Directors also monitors the level of dividends to ordinary shareholders.

The Company's objectives when managing capital are:

- (i) to safeguard the entity's ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, the Company's ability to continue as going concern is disclosed in note 1.1 to the financial statements, and
- (ii) to provide an adequate return to shareholders.

The Company manages the capital structure in the context of economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may, for example, adjust the amount of dividends paid to shareholders; issue new shares, or sell assets to reduce debt.

23 PLANT CAPACITY AND ACTUAL PRODUCTION

	2014 Rupees	2013 Rupees
No. of spindles installed	28,800	28,800
No. of spindles worked	-	-
Installed capacity at 20's count based on number of shifts worked.	Kgs -	-
Actual production of yarn on different counts.	Kgs -	-
Actual production of yarn converted into 20's count	Kgs -	-
Number of shifts worked	-	-
Reason for low production is due to closure of mills for some period as a result of financial constraints.	-	-
