Once the said expansion is complete, PCL will be one of the cost efficient cement manufacturers of Pakistan and the second largest cement producer in South Zone, having an annual production capacity of 3.5 Million Tons. The plant has good approach to Karachi city, Interior Sindh and direct links to both Seaports of Karachi.

The current demand-supply situation in the cement sector has encouraged the market producers to expand their production capacities. 11.1 From 1993-94 to 1998-99, excise duty was levied and recovered from the Company being wrongly worked out on retail price based on misinterpretation of sub section 2 of section 4 of the Central Excise Act, 1944 by Central Board of Revenue. Such erroneous basis of working of excise duty has been held, being without lawful authority, by the Honourable Supreme Court of Pakistan as per its judgment dated February 15, 2007. Accordingly, the Company filed an application to the Collector of Federal Excise and Sales Tax to refund the excess excise duty amounting to Rs. 182.604 million.

The refund was however rejected by Collector of Appeals vide order in appeal number 01 of 2009 dated 19 March 2009 and Additional Collector, Customs, Sales tax and Federal excise vide its order in original number 02 of 2009 dated 24 January 2009 primarily based on the fact that the Company has failed to discharge the burden of proof to the effect that incidence of duty had not been passed on to the customers of the Company. Accordingly, the Company filed an appeal before the Learned Appellate Tribunal Inland Revenue

(ATIR) regarding CED which, vide its order dated 23 May 2012 held that the requisite documents proving the fact that the incidence of duty had not been passed to the customers of the Company has been submitted by the Company and; therefore, the Company has discharged its onus. Based on the foregoing the original order number 01 of 2009 dated 19 March 2009 and order number 02 of 2009 dated 24 January 2009 were set aside by ATIR and appeal was allowed.

Based on the decision by ATIR and the tax adviser's opinion that the refund claim is allowed to the Company, the Company recorded the refund claim receivable with a corresponding credit to the profit & loss account. The matter has been challenged by the Tax department in the High Court. However, the management based on legal advisor's opinion is confident of a favorable outcome. The Company is actively pursuing the matter for the settlement of the said refund claim.

- 11.2 The Company received an order from Additional Collector, Hyderabad vide order no. 22 of 2000 alleging that Central Excise Duty of Rs. 6.863 million was not paid on certain sales for the years 1995-1996 and 1996-1997. The said amount was paid by the Company, however, a corresponding receivable was recorded. The Company filed an appeal in Honourable Sindh High Court which was rejected vide order dated 29 May 2007. The Company then filed a petition in Honourable Supreme Court of Pakistan which was disposed off vide order dated 18 July 2011 with the permission to approach the Court of Civil jurisdiction. Accordingly, a civil suite was filed by the Company challenging the order of Deputy Collector of Customs, Central Excise & Sales Tax, Hyderabad. The management in consultation with its lawyer is confident that the outcome of the case would be in favour of the Company and that the amount deposited above would be recovered.

14.1 This represents syndicated term finance facility and deferred mark-up on it, arranged by the Company with a syndicate of local commercial banks (the Syndicate). In 2012, the Company entered into a revised restructuring agreement with the Syndicate dated 23 December 2011. As per the revised restructuring agreement the principal was payable in nine half yearly instalments from 23 December 2011 to 23 December 2015.

The mark up charged during first 3.5 years i.e. from 23 June 2010 to 22 December 2013 is 6 month KIBOR + 0% per annum and after 3.5 years i.e. 23 December 2013 to 23 December 2018, the mark up will be charged at 6 month KIBOR + 1.75% per annum. Mark-up outstanding at the time of restructuring and mark-up accrued from restructuring date till the date of final settlement of principal will then be paid in four (4) half yearly instalments commencing from 23 June 2016.

In 2015, the Company again entered into a revised restructuring agreement with the Syndicate dated 26 December 2014. As per the revised restructuring agreement, principal instalments aggregating Rs. 360 million have been deferred as follows:

- Rs. 250 million falling due on 23 December 2014 will be repaid on 23 June 2018.
- Rs. 110 million out of Rs. 360 million falling due on 23 June 2015 will be repaid on 23 December 2018.

14.2 The facility contains a covenant that Company can not pay dividend to its shareholders until it is upto date to its debt obligation including mark-up payments to syndicate.

15. LOAN FROM PREVIOUS SPONSORS

The management of the Company was taken over by purchasing controlling shareholding during the year 2005. One of the condition of takeover of the management from the previous sponsors was that the amount payable in respect of this loan was required to be adjusted in respect of any differences in the value of assets and / or unrecorded liabilities. However, due to dispute regarding existence of certain assets, unrecorded liabilities etc., the final amount of the previous sponsor's loan remained undetermined and unsettled and the matter was referred for arbitration as per the Share Purchase Agreement between the management and the previous sponsors. The amount outstanding as at 30 June 2012 amounted to Rs. 115.927 million i.e. Rs. 234.076 million net off with unavailable stores and spares of Rs. 118.149 million.

In 2013, the arbitrator decided in favour of the Company and determined an amount of Rs. 0.735 million to be paid by the Company. The award has been sent to the Registrar High Court of Sindh for making the award a rule of Court. The management, based on its lawyers' advice is of the opinion that despite of objection filed by the previous sponsors against the arbitration award, the Company has strong grounds considering the fact that the Arbitration Award has been announced in Company's favour and the arbitration award will be made a rule of Court. Accordingly, the management had reversed the liability with a corresponding credit in the profit & loss account. However, as previous sponsors filed objections to the award, the matter is disclosed as a contingent liability.
