Vision:

To strive for excellence through commitment, integrity, honesty and team work.

Mission:

The mission of company is to operate state of the art spinning machinery capable of producing high quality carded cotton and blended yarn for knitting and weaving.

The company will conduct its operations prudently assuring customer satisfaction and will provide profits and growth to its shareholders through:

- Providing quality products and services to our customers mainly engaged in the manufacturing of textile products.
- Manufacturing of cotton and blended yarn as per the customers' requirements and market demand.
- Exploring the global market with special emphasis on Europe, USA and Far East.
- Keeping pace with the rapidly changing technology by continuously balancing, modernization and replacement (MBR) of plant and machinery.
- Enhancing the profitability by improved efficiency and cost controls.
- Recruiting, developing, motivating and retaining the personnel having exceptional ability and dedication by providing them good working conditions, performance based compensation, attractive benefit program and opportunity for growth.
- Protecting the environment and contributing towards the economic strength of the country and function as a good corporate citizen.

DIRECTORS' REPORT TO THE SHAREHOLDERS

On behalf of the board of directors, I take pleasure to present Annual Report along with the Audited Accounts of the company pertaining to the financial year ending on June 30, 2015.

FINANCIAL HIGHLIGHTS

The Company showed a loss after tax Rs.125,470,768 million for the year where as it was Rs.47,524,281 for the last year. The Financial results are summarized hereunder:-

	2015 Rupees	2014 Rupees
SALES	1,266,758,386	1,447,051,095
GROSS PROFIT/(LOSS)	(120,681,320)	21,053,862
OPERATING LOSS	(143,320,539)	(1,726,868)
FINANCIAL EXPENSES	(44,377,868)	(50,344,206)
TAXATION	62,227,639	4,546,793
NET LOSSAFTER TAX	(125,470,768)	(47,524,281)
LOSS PER SHARE	(28.09)	* (10.64)

The year under review was the worse year because the rates of polyester and cotton and other material declined and yarn prices declined double as compared to raw material. The wages of Labor were increased about 20% from Rs. 10000 to 12000. The Government also had taken few steps which were disaster for spinning industry in textile sector as they allowed duty free import of yarn from India and imposed anti-dumping duty on import of raw material from China. The main reason of loss was due to curtailment of working capital lines by financial institutions, fall in sale price of yarn, electricity and gas crisis, major consumption rate variance; low quality cotton resulted in lower yield and other fixed production overheads. The rates of yarn fall like nose dip wherever the cost of yarn increased as compared to previous year. Several units of spinning were closed during the year due to heavy losses but the management of your company tried to find out different counts which were viable and have good market. We experienced to manufacture Acrylic and staple yarn.

This has been another difficult year due to economic challenges facing the country, prevailing law and order conditions, ever increasing competition in the spinning sectors and increasing demand of quality yarn coupled with other problems of shortage of working capital.

Despite these circumstances the management has taken various steps to reduce cost of electricity and improve the quality and productivity.

**COST CONTROL**

The management has instituted the cost control and efficiency approach. Cost control measures and efficiency has been a continuing pursuit of the management. However the costs have risen due to overall inflationary trend in almost all areas of overheads and shortage of energy like Gas and Electricity also increased cost of Production..

Earnings per ordinary shares amount to Rs. (28.09) in current year as compared to Rs. (10.64) in last year.

ADDITION TO FIXED ASSETS

During the year under review, the following major additions have been made in the Fixed Assets of the Company.

1. 1 No Fly fram FA-415A model 2004
2. 1 No. Compact machine

FUTURE OUTLOOK

The management of the company is continuously making efforts in order to improve the profitability of the company in this regard already production capacity of the company has been improved. Now the company is planning to produce high quality of Staple, PC, CVC and Cotton yarn with the better machinery setup.

COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

The Board of Directors has taken necessary steps to comply with the provisions of code of corporate governance as incorporated in the listing regulations of stock exchanges. Statement of the compliance with the code of corporate governance is annexed.

Statement on Corporate & Financial Reporting Framework

The Company complies with the Code in the following manner.

- a. The financial statements prepared by the management of the Company present fairly its state of affairs, the result of its operations, cash flows and change in equity.
- b. Proper books of account of the Company have been maintained.
- c. Appropriate accounting policies have been consistently applied in preparation of financial statements. Accounting estimates are based on reasonable and prudent judgment.
- d. International Accounting Standards as applicable in Pakistan have been followed in the preparation of financial statements and any departure there from has been adequately disclosed and explained.
- e. The system of internal control is sound in design and has been effectively implemented and monitored.
- f. There are no significant doubts upon the Company's ability to continue as a going concern.
- g. There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations.
- h. Keeping in view the increased requirement of working capital due to high rates of raw material and finances required for re-payment of loans, it is considered necessary to conserve cash resources. The Directors, therefore, have decided not to recommend cash dividend. We have prepared and circulated a statement of ethics and business strategy among directors and employees.
- i. The company operates an un-funded gratuity scheme for its employees and provision has been made in the accounts accordingly.

- j. The board of directors has adopted a mission statement and a statement of overall corporate strategy.
- k. During the year under review five meetings of the Board of Directors were held and attendance positions is hereunder:

<u>Name of Director</u>	<u>Number of Meetings attended</u>
Mr. Nauman Almas	4
Mrs. Shamim Akthar	3
Mrs. Fareeha Pervaiz	4
Mrs. Shumaila Azeem	4
Mr. Waseem K. Haq	3
Mr. Shoaib A Khan	3
Mr. Muhammad Azhar Amin	4

Audit committee

The Board of Directors in compliance of the code of corporate governance has established Audit Committee. The names of its members are given in the Company profile.

The terms of reference of the Audit Committee is based on the scope as defined by the Securities and Exchange Commission of Pakistan (SECP) and the guidelines given by the Board of Directors from time to time to improve the system and procedures.

Within the framework of terms of reference determined by the Board of Directors, the Audit Committee, among other things, will appoint the external auditors and review of periodic accounts.

HR and Remuneration Committee

The board has formed an HR and Remuneration Committee. It comprises three members, of whom two are non-executive directors including the chairman of the committee.

Auditors

The present auditors Messrs Mushtaq & Company, Chartered Accountants, retire and being eligible, offer themselves for re-appointment.

Pattern of shareholding

The pattern of shareholding as required by Section 236 of the Companies Ordinance 1984 and under Code of Corporate Governance is enclosed.

Going Concern

Without qualifying their opinion, Company's auditors, in their report, have drawn your attention to note 2.2 to the financial statements, which states that the Company's current liabilities exceeded its current assets by Rs. 185.803 million, and its accumulated losses stood at Rs. 192.963 million. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. These financial statements have been prepared on going concern basis on the grounds that the company will be able to achieve satisfactory levels of profitability in the future based on plan drawn up by the management for this purpose and bringing its liabilities to serviceable levels and availability of the adequate working capital from its lenders and sponsors.

To substantiate its going concern assumption:

- i. Directors and sponsors of the company, have invested as long term interest bearing loans net amounting to Rs. 64.561 million during the period, thus making the total loan amounting to Rs. 138.684 million (June 30, 2014: Rs. 74.123 million). Also they would continue such support in future.

- ii The management has prepared a five years future plan showing profitability. Management believes that, company will be able to achieve satisfactory levels of profitability in the future base on the plans drawn up by the management for this purpose.
- iii The management has also undertaken adequate steps towards the reduction of fixed cost and expenses which are at various stages of implementation. Such steps include, but not limited to, rightsizing of the men power, resource conservation, close monitoring of other fixed cost etc. The management is certain to generate sufficient savings as consequences of adapting all such measures.
- iv The management also applied to the financial institutions for settlement and restructuring of overdue of the company. Management is confident that financial institution will respond positively to the request.

Key operating and financial data

Key operating and financial data for the preceding six years is annexed.

Dividend

As the accounts shows considerable losses for the year therefore no dividend is recommended by the Board of Directors in their meeting for the year ended June 30, 2015.

Statutory payments

There are no statutory payments on account of taxes, duties, levies and charges that are outstanding as on June 30, 2015 except for those disclosed in the financial statements.

Corporate restructuring and business expansion

Company has currently no plans for corporate restructuring, business expansion and discontinuance of operations.

Acknowledgement

The Directors of the Company wish to thanks its bankers for their continued support and wish to place on record their appreciation towards the employees for their dedicated services and hard work without which all this would have not been possible.

For & on behalf of the Board

NAUMANALMAS
Chief Executive

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

This statement is being presented to comply with the Code of Corporate Governance (CCG) contained in Regulation No. 35 of listing regulations of Karachi Stock Exchange Limited and Lahore Stock Exchange Limited for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

The Company has applied the principles contained in the Code in the following manner:

1. The company encourages representation of independent non-executive directors and directors representing minority interests on its board of directors. At present the board includes:

Category	Names
Independent Directors	Mr. Muhammad Azhar Amin, Mr. Waseem K Haq
Executive Directors	Mr. Noman Almas, Mrs. Shamim Akhtar
Non-Executive Directors	Mrs. Fareeha Pervaiz, Mrs. Shumaila Azeem, Mr. Shoaib A Khan

The independent directors meets the criteria of independence under clause i (b) of the CCG.

2. The directors have confirmed that none of them is serving as a director on more than seven listed companies, including this company (excluding the listed subsidiaries of listed holding companies where applicable).
3. All the resident directors of the company are registered as taxpayers and none of them has defaulted in payment of any loan to a bank in Company, a DF loan NBF-I or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. No casual vacancy occurring on the board of directors.
5. The company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
6. The board has developed a vision / mission statement, overall corporate strategy and significant policies of the company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
7. All the powers of the board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO, other executive and non-executive directors, have been taken by the board / shareholders.
8. The meetings of the board were presided over by the Chairman and; in his absence, by a director elected by the board for this purpose and the board meeting atleast once in every quarter. Written notices of the board meetings, along with agenda and working papers, were circulated atleast seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
9. The board arranged training programs for its directors during the year.
10. The board has approved appointment of CFO, Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment.

11. The directors' report for this year has been prepared in compliance with the requirements of the Code of Corporate Governance and fully describes the salient matters required to be disclosed.
12. The financial statements of the company were duly endorsed by CEO and CFO before approval of the board.
13. The directors, CEO and executives do not hold any interest in the shares of the company other than that disclosed in the pattern of shareholding.
14. The company has complied with all the corporate and financial reporting requirements of the Code of Corporate Governance.
15. The board has formed an Audit Committee. It comprises **three** members, of whom **two** are non-executive directors and the chairman of the committee is an independent director. Presently company does not have three non-executive directors as required by clause xxiv of the code but subsequently company will take necessary measures to appoint three non executive directors.
16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the company and as required by the Code of Corporate Governance. The terms of reference of the committee have been formed and advised to the committee for compliance.
17. The board has formed an HR and Remuneration Committee. It comprises three members, of whom two are non-executive directors including the chairman of the committee.
18. The board has set up an effective internal audit function, who are considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the company.
19. The statutory auditors of the company have confirmed that they have been given as a satisfactory rating under the quality control review program of the ICAP, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. The 'closed period', prior to the announcement of interim/final results, and business decisions, which may materially affect the market price of company's securities, was determined and intimated to directors, employees and stock exchange(s).
22. Material/price sensitive information has been disseminated among all market participants at once through stock exchange.
23. We confirm that all other material principles enshrined in the Code of Corporate Governance have been complied.

For and On Behalf of Board of Directors.

Chief Executive

REVIEW REPORT TO THE MEMBERS

On the Statement of Compliance with Best Practices of the Code of Corporate Governance

We have reviewed the enclosed statement of compliance with the best practices contained in the Code of Corporate Governance ("the Code") prepared by the Board of Directors of **Salman Noman Enterprises Limited** for the year ended June 30, 2015 to comply with the requirements of Listing Regulation of the Karachi Stock Exchange Limited and Lahore Stock Exchange Limited where the company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the statement of compliance reflects the status of the company's compliance with the provisions of the Code of Corporate Governance and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the company's personnel and review of various documents prepared by the company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all the risks and controls or to form an opinion on the effectiveness of such internal controls, the company's corporate governance procedures and risks.

The Code requires the company to place before the audit committee and upon recommendation of audit committee, places before the Board of Directors for their review and approval its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of approval of related party transactions by the Board of Directors upon recommendation of the audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the statement of compliance does not appropriately reflect the company's compliance, in all material respects, with the best practices contained in the Code as applicable to the company for the year ended June 30, 2015.

Further, we highlight below instances of non compliance with the requirements of the Code as reflected in the paragraph reference where these are stated in the statement of Compliance:

Paragraph Reference	Description
15	Audit committee does not contain three non executive directors as required by clause XXIV of code.

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed Balance Sheet of **Salman Noman Enterprises Limited** as at June 30, 2015 and the related profit and loss account, statement of comprehensive income, cash flow statement, and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.

It is the responsibility of the company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by the management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verifications, we report that;

- (a) in our opinion, proper books of accounts have been kept by the company as required by the Companies Ordinance, 1984;
- (b) in our opinion;
 - (i) the Balance Sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of accounts and are further in accordance with accounting policies consistently applied;
 - (ii) the expenditure incurred during the year was for the purpose of the company's business; and
 - (iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the company;
- (c) in our opinion and to the best of our information and according to the explanations given to us, the Balance Sheet, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the company's affairs as at June 30, 2015 and of the loss, comprehensive loss, its cash flows and changes in equity for the year then ended; and
- (d) in our opinion no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).
- (e) Without qualifying our opinion, we draw attention to note 2.2 in the financial statements which indicates that the company incurred a net loss of Rupees 125.471 million during the year ended June 30, 2015 and, as of that date, the company's current liabilities exceeds its current assets by Rupees 185.803 million. These conditions, along with other matters as explained in note 2.2 indicate the existence of a material uncertainty that may cast significant doubt about the company's ability to continue as a going concern. These financial statements, however, have been prepared on the going concern basis on the assumptions as detailed in aforesaid note.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

1 STATUS AND ACTIVITIES

The company was incorporated in Pakistan on November 05, 1985 as a Public Limited Company under the Companies Ordinance, 1984. The registered office and mills of the company are situated at 03 kilometer Bhai Pheru, Tehsil Chunian, District Kasur. The company is listed on Karachi and Lahore stock exchanges. The principal business of the company is manufacturing and sale of yarn.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the requirements of the Companies Ordinance, 1984 (the Ordinance) and the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standard Board and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. Wherever the requirements of the Companies Ordinance, 1984 or directives issued by Securities and Exchange Commission of Pakistan differ with the requirements of IFRS or IFAS, the requirements of the Companies Ordinance, 1984 or the requirements of the said directives prevail.

2.2 Going concern assumption

During the year, the Company incurred loss amounting to Rs. 125.471 million (June 30, 2014: Rs. 47.524 million) and has reported accumulated losses amounting to Rs. 192.964 million (June 30, 2014: Rs. 79.509 million) at the year end. In addition, the Company's current liabilities exceeded its current assets by Rs. 185.803 million (June 30, 2014: Rs. 57.774 million) at the year end. This results in severe liquidity crisis and inability of the company to comply with loan agreements and inability to pay long term financing from financial institutions amounting to Rs. 41.633 million, short term borrowing amounting to Rs. 26.600 million and accrued markup Rs. 12.320 million. The main reason of loss was due to curtailment of working capital lines by financial institutions, fall in sale price of yarn, electricity and gas crisis, major consumption rate variance, low quality cotton resulted in lower yield and other fixed production overheads. These conditions along with adverse key financial ratios indicate the existence of material uncertainty which may cast significant doubt about the company's ability to continue as a going concern and therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business.

These financial statements have been prepared on going concern assumption on the basis of following mitigating factors:

- i The management has prepared five years future plan showing profitability. Management believes that, company will be able to achieve satisfactory levels of profitability in the future based on the plans drawn up by the management for this purpose;
- ii Directors and sponsors of the company, have invested as long term interest bearing loans net amounting to Rs. 64.561 million during the period thus, making the total loan amounting to Rs. 138.684 million (June 30, 2014: Rs. 74.123 million). They would also continue such support in future;
- iii The management has also undertaken adequate steps towards the reduction of fixed cost and expenses which are at various stages of implementation. Such steps include, but not limited to, rightsizing of the men power, resource conservation, close monitoring of other fixed cost etc. The management is certain to generate sufficient savings as consequences of adapting all such measures; and
- iv The management has also applied to the financial institutions for settlement and restructuring of overdue of the company. Management is confident that financial institution will respond positively to the request.

The management anticipates that above steps will not only bring the Company out of the existing financial crisis but also contribute significantly towards the improvement of the company financial position in the foreseeable future.

2.3 Functional and presentation currency

These financial statements are presented in Pak Rupees, which is the company's functional and presentation currency and figures are rounded to the nearest rupee.

2.4 Standards, interpretations and amendments to published approved accounting standards

2.4.1 Standards, interpretations and amendments to published approved accounting standards that are effective in the current year

During the year certain amendments to standards or new interpretations became effective; however, the amendments or interpretation did not have any material effect on the financial statements of the company.

2.4.2 New accounting standards, amendments to existing approved accounting standards and interpretations that are issued but not yet effective and have not been early adopted by the Company

The following standards, amendments and interpretations of approved accounting standards will be effective for accounting periods beginning on or after 1 July 2015 and the Company does not expect to have any material / significant changes in its accounting policy except for disclosures, where applicable:

- Amendments to IAS 38 Intangible Assets and IAS 16 Property, Plant and Equipment (effective for annual periods beginning on or after 1 January 2016) introduce severe restrictions on the use of revenue-based amortization for intangible assets and explicitly state that revenue-based methods of depreciation cannot be used for property, plant and equipment. The amendments have no impact on Company's financial statements as the company has the policy of depreciating / amortizing its property, plant and equipment and intangible assets based on the assessed useful lives.
- IFRS 10 'Consolidated Financial Statements'-- (effective for annual periods beginning on or after 1 January 2015) replaces the part of IAS 27 'Consolidated and Separate Financial Statements'. IFRS 10 is not likely to have any impact on the financial statements of the company .
- IFRS 11 'Joint Arrangements' (effective for annual periods beginning on or after 1 January 2015) replaces IAS 31 'Interests in Joint Ventures'. IFRS 11 is not likely to have any impact on the financial statements of the company.
- IFRS 12 'Disclosure of Interest in Other Entities' (effective for annual periods beginning on or after 1 January 2015). The adoption of this standard is not like to have an impact on company's financial statements.
- IFRS 13 'Fair Value Measurement' effective for annual periods beginning on or after 1 January 2015). The adoption of this standard is not like to have an impact on company's financial statements.
- Amendment to IAS 27 'Separate Financial Statement' (effective for annual periods beginning on or after 1 January 2016). The amendments to IAS 27 will allow entities to use the equity method to account for investments in subsidiaries, joint ventures and associates in their separate financial statements.
- Agriculture: Bearer Plants [Amendment to IAS 16 and IAS 41] (effective for annual periods beginning on or after 1 January 2016). These amendments have no impact on the financial statements of the company.
- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28) [effective for annual periods beginning on or after 1 January 2016]. The main consequence of the amendments is that a full gain or loss is recognized when a transaction involves a business (whether it is housed in a subsidiary or not). A partial gain or loss is recognized when a transaction involves assets that do not constitute a business, even if these assets are housed in a subsidiary.

2.4.3 Annual Improvements 2012-2014 cycles (amendments are effective for annual periods beginning on or after 1 January 2016). The new cycle of improvements contain amendments to the following standards:

- IFRS 5 'Non-current Assets Held for Sale and Discontinued Operations'. These amendments are not likely to have any implication on the company's financial statements.
- IFRS 7 'Financial Instruments- Disclosures'. These amendments are not likely to have any implication on the company's financial statements.
- IAS 19 'Employee Benefits'. These amendments are not likely to have any implication on the company's financial statements.
- IAS 34 'Interim Financial Reporting'. These amendments are not likely to have any implication on the company's financial statements.

2.4.4 Standards, interpretations and amendments to published standards that are effective but not relevant to the company

- The other new standards, amendments and interpretations that are mandatory for accounting periods beginning on or after July 1, 2014 are considered not to be relevant or to have any significant impact on the company's financial reporting and operations.

3 BASIS OF MEASUREMENT

These financial statements have been prepared under the historical cost convention on accrual basis, except for recognition of staff retirement benefits which are based on actuarial values (net present value), certain items of property, plant and equipment which are stated at revalued amounts and certain financial assets are stated at fair value.

The company's significant accounting policies are stated in note 4. Not all of these significant policies require the management to make difficult, subjective or complex judgments or estimates. The following is intended to provide an understanding of the policies the management considers critical because of their complexity, judgment of estimation involved in their application and their impact on these financial statements. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. These judgments involve assumptions or estimates in respect of future events and the actual results may differ from these estimates. The areas involving higher degree of judgments or complexity or areas where assumptions and estimates are significant to the financial statements are as follows:

3.1 Provision for taxation

The company takes into account the current income tax law and decisions taken by the appellate authorities. Instances where the company's view differs from the view taken by the income tax department at the assessment stage and where the company considers that its view on items of material nature is in accordance with law, the amounts are shown as contingent liabilities.

3.2 Staff retirement benefits - gratuity

Certain actuarial assumptions have been adopted as disclosed in relevant note to the financial statements for valuation of present value of defined benefit obligation.

3.3 Financial instruments

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques based on assumptions that are dependent on market conditions existing at balance sheet date.

3.4 Property, plant and equipment

The company reviews recoverable amount, useful life, residual value and possible impairment on an annual basis. Any changes, if material in the estimates in future years might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding affect on the depreciation charge and impairment.

3.5 Other areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are as follows.

- 3.5.1 Provision for doubtful debts
- 3.5.2 Estimation of net realizable value
- 3.5.3 Computation of deferred taxation
- 3.5.4 Disclosure of contingencies

4 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented unless otherwise stated.

4.1 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognized in the profit and loss account, except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

Current

Provision for current taxation is based on taxability of certain income streams of the company under presumptive / final tax regime at the applicable tax rates and remaining income streams chargeable at current rate of taxation under the normal tax regime after taking into account tax credit and tax rebates available, if any. The charge for current tax includes any adjustment to past years liabilities.

Deferred

Deferred tax is provided using the balance sheet liability method for all temporary differences at the balance sheet date between tax basis of assets and liabilities and their carrying amounts for financial reporting purpose.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences and carry forward of unused tax losses and tax credits to the extent that it is probable that future taxable profits will be available against which deferred tax asset can be utilized, except where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability that, at the time of transaction, affects neither the accounting nor taxable profits.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax asset and liability is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

4.2 Trade and other payables

Liabilities for trade and other payables are carried at their cost which is the fair value of the consideration to be paid in the future for goods and services received whether or not billed to the company.

4.3 Provisions

A provision is recognized in the balance sheet when the company has a legal or constructive obligation as a result of past event, and it is probable that an out flow of resource embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

4.4 Borrowings and borrowing costs

Borrowings are recorded at the proceeds received. Finance costs are accounted for on an accrual basis and are included in current liabilities to the extent of the amount remaining unpaid.

Borrowing costs are recognized as an expense in the period in which these are incurred except to the extent the borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset. Such borrowing costs are capitalized as part of the cost of that asset up to the date of its commissioning.

4.5 Revenue recognition

Revenue is recognized on dispatch of goods or on performance of services. Return on deposits is recognized on a time proportion basis by reference to the principal outstanding and the applicable rate of return.

4.6 Property, plant and equipment - owned

Recognition

Property, plant and equipment except for freehold land are stated at cost / revaluation less accumulated depreciation and any identified impairment loss. Freehold land is stated at cost / revaluation less any identified impairment loss. Cost of tangible assets consists of historical cost pertaining to erection / construction period and other directly attributable cost of bringing the asset to working condition.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repair and maintenance costs are charged to income statement during the period in which they are incurred.

Depreciation

Depreciation on all items of property, plant and equipment except for freehold land is charged to income applying the reducing balance method so as to write-off historical cost of an asset over its estimated useful life at the rates as disclosed in note 17.

Depreciation on additions is charged from the month in which the asset is acquired or capitalized while no depreciation is charged in the month of disposal.

Derecognition

An item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and carrying amount of the assets) is included in the income statement in the year the assets is derecognized.

4.7 Accounting for leases and assets subject to finance lease

4.7.1 Finance lease

Recognition

Leases where the company has substantially all the risks and rewards of ownership are classified as finance lease. Assets subject to finance lease are initially recognized at the commencement of the lease term at the lower of present value of minimum lease payments under the lease agreements and the fair value of the leased assets, each determined at the inception of the lease. Subsequently these assets are stated at cost less accumulated depreciation and any identified impairment loss. The related rental obligations, net of finance cost, are included in liabilities against assets subject to finance lease. The liabilities are classified as current and non current depending upon the timing of payments.

Financial charges

Lease payments are allocated between the liability and finance cost so as to achieve a constant rate on the balance outstanding. The finance cost is charged to income over the lease term.

Depreciation

Assets acquired under a finance lease are depreciated in the same manner and at the same rates used for similar owned assets, so as to depreciate these assets over their estimated useful lives in view of certainty of ownership of these assets at the end of lease term. Depreciation of the leased assets is charged to income.

Deferred income

Income arising from sale and lease back transaction, if any, which results in finance lease, is deferred and amortized equally over the lease period.

4.7.2 Operating lease

Leases where significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the income on a straight-line basis over the period of lease.

4.8 Capital work in progress

Capital work in progress is stated at cost less any identified impairment loss. Transfers are made to relevant fixed assets category as and when assets are available for use.

4.10 Long term deposits

These are stated at cost which represents the fair value of consideration given.

4.11 Stores, spare parts and loose tools

These are valued at lower of cost and net realizable value. Cost is determined by moving average method. Items considered obsolete are carried at nil value. Items in transit are valued at cost comprising invoice value plus other charges incurred thereon.

4.12 Stock in trade

These are valued at lower of cost and net realizable value except waste which is valued at net realizable value. Cost is determined as follows.

Raw material	Weighted average cost except those in transit which are stated at cost comprising invoice value plus other charges incurred thereon.
Finished good and work in process	Raw material cost plus appropriate manufacturing overheads.
Waste	Net realizable value

Average manufacturing cost in relation to work in process and finished goods, consists of direct material, labor and a proportion of manufacturing overheads based on normal capacity.

Net realizable value signifies the estimated selling prices in the ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sales.

4.13 Trade debts and other receivables

Trade debts originated by the company are recognized and carried at original invoice value less any allowance for uncollectible amounts. An estimated provision for doubtful debts is made when there is objective evidence that collection of the full amount is no longer probable. The amount of provision is charged to income statement. Bad debts are written off as incurred. Other receivables are stated at amortized cost. Known impaired receivables are written off, while receivables considered doubtful are provided for.

4.14 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand, cash in transit and balances with banks.

4.15 Impairment

At each balance sheet date, the company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. Recoverable amount is the greater of net selling price and value in use.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. Impairment losses are recognized as an expense immediately.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined, had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is recognized as income immediately.

4.16 Foreign currencies

Monetary assets and liabilities in foreign currencies are translated into Pak Rupee at the rate of exchange prevailing at the balance sheet date, except those covered by forward contracts, which are stated at contracted rates. Foreign currency transactions are translated into Pak Rupees at the rates prevailing at the date of transaction except for those covered by forward contracts, which are translated at contracted rates. Non monetary items are translated into Pak Rupee on the date of transaction or on the date when fair values are determined. Exchange differences are included in income statement currently.

4.17 Financial instruments

Financial assets and financial liabilities are recognized when the company becomes a party to the contractual provisions of the instrument and derecognized when the company loses control of contractual rights that comprise the financial assets and in case of financial liabilities when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on derecognition of financial assets and financial liabilities is included in the profit and loss account for the year.

All financial assets and financial liabilities are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value, amortized cost or cost, as the case may be. The particular recognition methods adopted are disclosed in the individual policy statements associated with each item.

4.18 Offsetting of financial assets and liabilities

A financial asset and financial liability is offset and the net amount is reported in the balance sheet if the company has a legal enforceable right to set off the recognized amounts and intends either to settle on net basis or to realize the assets and the liabilities simultaneously.

4.19 Related party transactions

All transactions with related parties are carried out by the company at arms' length price using the method prescribed under the Companies Ordinance, 1984 with the exception of loan taken from related parties which is interest free.

4.20 Dividend

Dividend distributed to the share holders is recognized as a liability in the period in which it is approved by the shareholders.

- 7.1 This represents term finance obtained from Soneri Bank Limited to pay off import bills of the company related to BMRE. The company has made down payment of Rs. 2.00 million and remaining outstanding amount will be repayable in 12 equal monthly installments of Rs. 1.5 million (started from March 31, 2013 and ending on February 28, 2014) and 96 equal monthly installments of Rs. 0.896 million (starting from March 31, 2014 and ending on February 28, 2022) along with markup due from the month of March 2014. The loan is secured against joint pari passu charges of Rs. 485,666,667 (Soneri Bank Limited's share of Rs. 164,000,000) on all the present and future fixed assets (both movable and immovable) of the company, Equitable mortgage with legal mortgage on House no. 41, Block L, Gulberg III, Lahore in the name of Mr. Noman Almas Valuing Rs. 55,000,000 and personal guarantee of sponsoring directors. The loan is subject to mark up at one month KIBOR plus 2.00 percent (June 30, 2014 : one months KIBOR plus 2.00 percent) per annum payable monthly from March 31, 2014. Markup payable from July 01, 2011 to February 28, 2014 is payable as mentioned in note 7.3

35 LOSS PER SHARE - BASIC AND DILUTED

The calculation of the basic and diluted loss per share is based on the following data.

		2015	2014
Loss			
Loss for the year after taxation	Rupees	(125,470,768)	(47,524,281)
Number of shares			
Weighted average number of ordinary shares outstanding during the year	Numbers	4,467,036	4,467,036
Loss per share - basic and diluted	Rupees	(28.09)	(10.64)

35.1 There is no dilutive effect on the basic loss per share of the company.

36 TRANSACTIONS WITH RELATED PARTIES

The related parties comprises of associated companies, directors and key management personnel. Amounts due to related parties and transactions with related parties (key management personnel) are disclosed in the relevant notes.

Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity. The company considers all members of their management team, including the chief executive officer and directors to be its key management personnel.

There are no transactions with key management personnel other than under their terms of employments / entitlements. Balance outstanding from related parties are unsecured and repayable on demand or as contracted. Amounts due to related parties are shown in the relevant notes to the financial statements. All transactions are carried out on commercial basis. Transaction with related parties are disclosed below.

36.1 Transaction of related parties

	Nature of relationship	Transaction	2015 Rupees	2014 Rupees
Directors	Related party	Receipts of long term financing from directors	68,111,392	10,600,000
		Repayment of long term financing	(3,550,000)	(8,100,000)

37 FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

The company has exposures to the following risks from its use of financial instruments.

- 37.1 Credit risk
- 37.2 Liquidity risk
- 37.3 Market risk

The board of directors has overall responsibility for the establishment and oversight of company's risk management framework. The board is also responsible for developing and monitoring the company's risk management policies.

37.1 Credit risk

37.1.1 Exposure to credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the trade debts, loans and advances, trade deposits and short term prepayments. Out of total financial assets of Rs. 61,707 million (June 30, 2014: 72,039 million), financial assets which are subject to credit risk aggregate to Rs. 59,915 million (June 30, 2014: 70,208 million). The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date is as follows.

	2015 Rupees	2014 Rupees
Long term deposits	7,029,480	7,119,480
Trade debts	39,385,644	62,239,386
Loans and advances	-	-
Trade deposits and short term prepayments	-	251,952
Other receivables	13,500,000	597,113
Cash and bank balances	1,791,855	1,830,920
	<u>61,706,979</u>	<u>72,038,851</u>

37.1.2 The maximum exposure to credit risk for trade debts at the balance sheet date by geographical region is as follows.

	2015 Rupees	2014 Rupees
Domestic	39,385,644	62,239,386

37.1.3 The maximum exposure to credit risk for trade debts at the balance sheet date by type of customer is as follows:

	2015 Rupees	2014 Rupees
Yarn	33,305,231	51,725,883
Waste	6,080,413	10,513,503
	<u>39,385,644</u>	<u>62,239,386</u>

37.1.4 The aging of trade debtors at the balance sheet is as follows.

	2015 Rupees	2014 Rupees
Past due 0 - 30 days	23,652,694	49,428,583
Past due 31 - 90 days	8,974,245	6,426,564
Past due 91 days - 1 year	4,255,084	2,386,624
More than 1 year	2,503,622	3,997,615
	<u>39,385,644</u>	<u>62,239,386</u>

37.2 Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the company's reputation. The following are the contractual maturities of the financial liabilities including interest payments and excluding the impact of netting agreements.

	2015					
	Carrying amount	Contractual cash flow	Six months or less	Six to twelve months	Two to five years	More than five years
	Rupees					
Non-derivative Financial liabilities						
Long term financing	149,511,945	181,505,461	54,124,977	15,563,610	96,579,214	15,237,660
Long term financing from directors	138,683,905	138,683,905	-	-	-	138,683,905
Finance lease	86,983,658	99,863,554	32,089,953	12,025,542	55,748,059	-
Trade and other payables	244,723,542	244,723,542	244,723,542	-	-	-
Accrued mark up / interest	21,602,346	21,602,346	21,602,346	-	-	-
Short term borrowings	179,758,004	184,134,645	184,134,645	-	-	-
	<u>821,263,401</u>	<u>870,513,454</u>	<u>536,675,464</u>	<u>27,589,152</u>	<u>152,327,273</u>	<u>153,921,565</u>

	2014					
	Carrying amount	Contractual cash flow	Six months or less	Six to twelve months	Two to five years	More than five years
	Rupees					
Non-derivative Financial liabilities						
Long term financing	165,809,122	209,860,419	31,109,233	22,011,326	125,121,727	31,618,133
Long term financing from directors	74,122,513	74,122,513	-	-	74,122,513	-
Finance lease	91,779,659	113,893,422	15,289,713	11,858,559	86,745,150	-
Trade and other payables	149,982,471	149,982,471	149,982,471	-	-	-
Accrued mark up / interest	12,539,922	12,539,922	12,539,922	-	-	-
Short term borrowings	250,505,716	258,267,885	258,267,885	-	-	-
	744,739,403	818,666,632	467,189,224	33,869,885	285,989,390	31,618,133

The contractual cash flows relating to the above financial liabilities have been determined on the basis of mark up rates effective as at year end. The rates of mark up have been disclosed in relevant notes to these financial statements.

37.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. The company is exposed to currency risk and interest rate risk only.

37.3.1 Currency risk

Exposure to currency risk

The company is exposed to currency risk on trade debts, borrowing and import of raw material and stores that are denominated in a currency other than the respective functional currency of the company, primarily in US Dollar, Japanese Yen and Euro. The currency in which these transactions primarily are denominated is US Dollar and Euro. The company is not exposed to any foreign currency risk as at June 30, 2015.

Sensitivity analysis

5% strengthening of Pak Rupee against the following currency at June 30, would not increased / (decreased) equity and profit and loss.

37.3.2 Interest rate risk management

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposures arises from short and long term borrowings from bank and term deposits and deposits in PLS saving accounts with banks. At the balance sheet date the interest rate profile of the company's interest bearing financial instrument is as follows.

	Rupees	Rupees
Variable rate instruments		
Financial liabilities	414,806,323	499,469,101

Fair value sensitivity analysis for fixed rate instruments

The company does not account for any fixed rate financial assets and liabilities at fair value through profit and loss. Therefore, a change in interest rates at the reporting date would not affect profit and loss account.

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have increased / (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for June 30, 2014.

	Profit and loss		Equity	
	100 bp increase	100 bp (decrease)	100 bp increase	100 bp (decrease)
	Rupees			
Cash flow sensitivity - variable rate instruments 2015	(4,148,063)	4,148,063	-	-
Cash flow sensitivity - variable rate instruments 2014	(4,994,691)	4,994,691	-	-

37.4 Fair value of financial assets and liabilities

The carrying value of all financial instruments reflected in the financial statements approximate to their fair values. Fair value is determined on the basis of objective evidence at each reporting date.

	2015 Rupees	2014 Rupees
37.5 Off balance sheet items		
Bank guarantees issued in ordinary course of business	18,100,000	18,100,000
Letters of credit other than capital expenditures	31,105,143	16,075,710

37.6 Capital risk management

The company's prime object when managing capital is to safeguard its ability to continue as a going concern in order to provide adequate return for shareholder and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, the company monitors capital on the basis of the gearing ratio. The ratio is calculated as total borrowing divided by total capital employed. Borrowing represents long term portion of long term financing, liabilities against assets subject to finance lease, long term murabaha and long term loans from others. Total capital employed includes total equity as shown in the balance sheet plus borrowings.

	2015 Rupees	2014 Rupees
Total borrowings	334,487,170	311,017,234
Net debt	334,487,170	311,017,234
Total equity	(148,293,251)	(34,838,968)
Total capital	186,193,919	276,178,266
Gearing ratio	179.64%	112.61%

38 CAPACITY INSTALLED AND ACTUAL PRODUCTION

Number of spindles installed	28,248	28,248
Number of spindles worked	20,200	22,158
Number of shifts per day	3	3
Installed capacity after conversion into 20/s counts (Kgs.)	9,946,319	10,084,462
Actual production of yarn after conversion into 20/s counts (Kgs.)	7,315,214	8,389,547

It is difficult to precisely describe production capacity and the resultant production converted into single counts in the textile industry since it fluctuates widely depending on various factors such as type of yarn produced and raw material used etc. It would also vary according to pattern of production adopted in a particular year. Actual production is more than the installed capacity due to the conversion of fine count to 20/s count.

39 NUMBER OF EMPLOYEES

	2015	2014
Number of employees as at year end	380	376
Average employee during the year	373	370

40 DATE OF AUTHORIZATION FOR ISSUE

These financial statements have been authorized for issue on October 10, 2015 by the board of directors of the company.

41 CORRESPONDING FIGURES

Figures have been rearranged/reclassified whenever necessary for the comparison.
