## FUTURE PROSPECTS

The Corona virus has taken the world with surprise. All supply chains are disturbed. For us, our downstream is mainly affected due to retail and wholesalers being closed. Raw material availability is normal. The Company will see a 60 days (approx) no-sale (negligible-sale) period which will end with the easing of lockdowns in Pakistan.

## DIVIDEND

The Directors have decided to skip payment of any interim dividend for consolidation with the final dividend.

## PERSONNEL

I would like to place on record my sincere appreciation for the devotion and loyalty of the staff and workers without whose efforts this success could not have been achieved. I look forward to the same devotion and cooperation in the years to come.

  
(Ibrahim Younus)  
Chairman
