ALTERNATE NETWORK CONNECTIVITY ARRANGEMENTS FOR PARTICIPANTS USING MTS OVER PSX LAN IN KARACHI LOCATION

Dear Clearing Members,

This is in continuation of our Circular No. NCCPL/CM/FEBRUARY-19/11 Dated February 20, 2019 followed by another Circular No. NCCPL/CM/MARCH-19/07 Dated March 14, 2019 for Clearing Members (CMs) stationed at PSX premises and using LAN for NCC Systems.

In this respect, we have received few queries from CMs availing MTS services over PSX LAN whether the opportunity of Alternate Connectivity Arrangement is also available to them. NCCPL would like to inform CMs in Karachi using MTS application via PSX LAN infrastructure that they may also evaluate and opt the following Alternate Connectivity Arrangements:

1. Connectivity via Internet
2. Connectivity via Leased Lines (Multinet/Cybernet)

CMs wish to opt above said connectivity arrangements for MTS are advised to intimate us desired MTS connectivity arrangements till April 26, 2019. Please note that in lieu of the charging model offered by NCCPL on behalf of PSX, CM who intends to continue with using PSX LAN infrastructure for MTS, shall be required to pay Rs. 3,000/month charge exclusively for MTS services. These charges will be collected at the end of each month by NCCPL through the "Pay & Collect" module.

For clarification purposes, CMs stationed at PSX premises and using LAN will be charged separately for MTS and other NCC Systems. However, in case CM decides to avail the MTS services via Alternate Connectivity Arrangements as mentioned above, they will not be subjected to any charge for utilizing PSX LAN.

Also, please note that CMs who do not submit their feedback for alternate connectivity option acquisition by April 26, 2019, would be considered applicable as "MTS Connectivity with PSX LAN" and fee as mentioned above from April 1st, 2019 will be charged.

For any further queries or concerns, please feel free to contact the Customer Support Department at UAN No. 021-111-111-622.

Regards,
