Dear Sir,

This is with reference to the National Clearing and Settlement System ("NCSS") Procedures pertaining to the determination and notification of marketable lots of all NCSS eligible securities.

In this respect, in accordance with clause 2.4.3.1 of NCSS Procedures, the National Clearing Company of Pakistan Limited ("NCCPL") is authorized to determine and notify the marketable lots of all NCSS eligible securities based on the following criteria:

<i>Market Price Ranges</i>	<i>Marketable Lots</i>
<i>Upto Rs. 100</i>	<i>500 shares</i>
<i>Above Rs. 100 and upto to Rs. 500</i>	<i>100 shares</i>
<i>Above Rs. 500 and upto to Rs. 1000</i>	<i>50 shares</i>
<i>Above Rs. 1,000</i>	<i>20 shares</i>

In addition to the above, marketable lots will be reviewed by NCCPL on six monthly basis on the market value as of the first business day of June and December, and in case of any change in the marketable lots for any particular security (ies) the revised marketable lots will be effective from the first business day of July and January respectively.

Accordingly, after applying the above criteria it has impacted the marketable lots of 24 NCSS live securities (list attached). **You are, therefore, requested to change the marketable lots in your respective systems effective from January 1, 2020 and also notify the same to all TREC Holders of the Exchange.**

Yours truly,
