SSL Implementation for NCSS, CGT & RMS Applications

Dear Clearing Members & Settling Banks,

National Clearing Company of Pakistan Limited (NCCPL) endeavors for continual improvement in its technological setup and pays utmost attention towards the area of Information Security to abreast its systems with upcoming challenges. In line with this, NCCPL is further improving in security controls on NCCPL web based applications through the implementation of Secure Sockets Layer (SSL).

SSL is a renowned standard security protocol for establishing an encrypted link between a server and a client, typically a web application and a browser. With SSL implementation, NCCPL applications will be accessed through the New URLs as mentioned below effective from Monday, December 23, 2019.

Current URL(s) - Without SSL

For NCSS: <http://main.nccpl.com.pk:9889/Ncss.jsp>

For RMS: <http://rms.nccpl.com.pk/RMS.jsp>

For CGT: <http://cgt.nccpl.com.pk:7887/CGTS.jsp>

New URL(s) - With SSL

For NCSS: <https://ncss.nccpl.pk/Ncss.jsp>

For RMS: <https://rms.nccpl.pk/RMS.jsp>

For CGT: <https://cgt.nccpl.pk/CGTS.jsp>

For further facilitation of the Clearing Members (CMs) & Settling Banks (SBs), NCCPL applications may be accessed during December 23, 2019 to December 27, 2019 with both the URLs, i.e. Current and New URLs as mentioned above. However, from December 30, 2019 and onwards, Current URLs shall be discontinued and NCCPL applications will only be accessible through the New URLs.

There is no additional change at CMs & SBs end pertaining to this activity. However, all CMs & SBs are required to verify NCCPL applications accessibility with new URL(s) as mentioned above, during December 23, 2019 to December 27, 2019 to avoid any inconvenience in future.

For any further queries or concerns, please feel free to contact the Customer Support Department at UAN No. 021-111-111-622.

Regards,

Sd
