### Addition of E-Mail and Mobile Number Fields in Unique Identification Number (UIN) Registration Screen of NCSS Fourth Reminder

Dear Clearing Members,

This is with reference to our earlier circulars regarding the insertion of additional fields "E-Mail Address and Mobile Phone Number" in the UIN Registration Screen of the National Clearing and Settlement System ("NCSS") and it was requested to enter requisite details of your clients.

In this respect, it has been observed that these fields are still not updated by various Clearing Members (CMs) for their respective Client Codes. Please note that such fields are essential to complete the registration process of clients in accordance with the provision of NCCPL Regulations and NCSS Procedures.

NCCPL is finalizing system development whereby trading alerts will be forwarded to the capital market investors through SMS/e-mail on their mobile numbers and e-mail addresses. You are therefore requested to enter requisite details in such fields immediately so as to enable us to include your clients in the said facility.

For any further queries or concerns, please feel free to contact the Customer Support Services of your respective locations.
