Discontinuation of Dialup Connectivity for NCSS / CGT Final Notification

Dear Clearing Members,

This is with reference to our Circular No. **NCCPL/CM/SEPTEMBER-16/11** Dated **September 9, 2016** regarding Commencement of NCSS & CGT Services over the Internet DSL and our Circular No. **NCCPL/CM/NOVEMBER-16/04** Dated **November 4, 2016** on the above captioned subject.

In this respect, the cut of date of **October 31, 2016** for the discontinuation of connectivity through the Dial-up services was also provided. However, we received requests by some of our clients for the extension in Dial-up services. In order to facilitate client's requests and ensure smooth transition from Dial-up to Internet DSL, NCCPL had extended the same date from **October 31, 2016** to **November 30, 2016**.

As we have already allowed sufficient timeframe for the smooth service shift over, hence any more extension to access NCCPL services via dial up would not be possible. Due to the technological limitations associated with this technology, we are regretful to provide further support on dial-up and have decided to permanently shut down complete dial-up service infrastructure on **May 31, 2017**. This implies that no service and support requests shall be entertained in this affect from the cutoff date.

You are kindly requested to move on to other connectivity mode to continue operations with the NCSS and CGT Services.

For any further queries or concerns, please feel free to contact the Customer Support Services of your respective locations.
