This is with reference to the resumption of trading from today in the shares of Invest Capital Investment Bank Limited (ICIBL).

However, in view of the treatment of capital adjustment under these circumstances as well as the representations received from the members and also from the company, it has been decided by the Exchange to adjust the price of its shares by taking into consideration the factor of reduction of share capital on the basis of the last closing price per share before resumption of trading i.e. Rs.6/- per share.
