NOTICE FOR ALL MEMBERS

Deployment/Mock Session

This is with reference to the implementation of KATS version 6.5.0 from July 21, 2008 to incorporate following changes:-

- Inter-Exchange Trades
- Separate window for Short Sale on up-tick in Future Market
- Blocking of Orders which could cause Wash Trades

In this connection new version of KATS will be deployed in Member Houses/Trading Hall by the IT Division of the Exchange on July 18, 2008, therefore, members are requested to keep their offices open till 10:00 p.m. on July 18, 2008 for IT staff to complete the necessary deployment. Those Members who have Remote KATS may contact I.T. Division for the deployment.

In order to test the functionality, IT Division has arranged a mock session on Saturday July 19, 2008 as per the following schedule:

Market State	Timings
Regular, IPO, Future Markets Pre-Open	01:00 P.M.
Regular, IPO, Future Markets Open	01:05 P.M.
Regular, IPO, Future Markets Close	03:00 P.M.

Members are requested to ensure that all their KATS TWS/EMS/OMS Gateway/Feed both onsite and remote are updated with Version 6.5.0 and the relevant staff member participates in the mock session to test the functionality in order to avoid any possible problems on Monday July 21, 2008.

Please note that the version older than 6.5.0 will not able to Login from Monday July 21, 2008.
