NOTICE FOR ALL MEMBERS

AWARENESS PRESENTATION ON INTRODUCTION OF MARKET HALT &

WIDENING OF SCRIP LEVEL CIRCUIT BREAKERS

The Members of the Exchange are hereby informed that the Governing Board of the Exchange has approved in principle the introduction of Index Based Market Halts, (based on KSE-30 Index), and widening of the scrip level Circuit Breakers.

To facilitate a better understanding on the captioned subject and explain the modalities of the plan to introduce the Market Halts, a detailed presentation has been arranged for Members which inter alia include:

1. Concept of Index Based Market Halts
2. A Comparative of Scrip Level Circuit Breakers vs Index Based Halts
3. Pros, Cons & International Best Practices.
4. A Comparative of Current and New Practices for Margin Collection from Member Clients.

The presentation shall be given by the KSE Management on Thursday, September 10, 2009 at the KSE Auditorium at 3:00 p.m. (Sharp). All Members are invited to participate in the said presentation.
