NOTICE FOR ALL MEMBERS

**Installation of Disaster Recovery (DR) Terminal in compliance of
KATS regulation Clause 5 (b)**

The member's attention is invited to KATS regulations Clause 5(b), according to which every member shall have to maintain the DR terminal as mandatory requirement to ensure business continuity in case of an unexpected breakdown in the trading systems for any reason.

To facilitate the members to install such DR Terminals, the Exchange has now made provision to access its DR site via "Internet" and simplified the requirements to avail the DR terminal facility.

To apply for the DR terminal, the member will need to do the following:

1. Submit a written application for DR terminal. (Members may convert one of their existing Remote terminal as DR terminal),
2. In case, the DR terminal has been applied for the location which is not registered as branch office, the DR terminal shall be allocated as view only under normal circumstances, and will be converted into a full trading terminal in case "disaster" is declared.
3. Member/broker should have high speed Internet facility available at the premises from where they want to operate such DR Terminal.

For more information, please contact IT helpdesk at Ph: 111-00-11-22 Ext 4442, DID 35274442. Members are encouraged to apply for the subscription of DR terminals as soon as possible but not later than Monday, April 25, 2011.
