

REVISION IN KSE-30 INDEX ELIGIBILITY CRITERIA

All TREC Holding Members and Market participants are hereby informed that KSE Governing Board of Directors in its meeting No 17 of 2012 held on October 31, 2012 at the registered premises of the Exchange, discussed a number of measures for making KSE-30, a more liquid index.

The Board accordingly added a requirement of pre-inclusion of liquidity parameter in the existing eligibility criteria of KSE-30 index which requires the impact of KSE-30 index constituent(s) to be less than 1.50% during the review period. The Board observed that rest of the rules, regulations, policies and procedures in respect of the KSE-30 index re-composition remains the same.

All the Market participants and the TREC Holding Members are informed that the Management will implement the above changes in February 2013 on the basis December 31, 2012 data.
