NOTICE FOR ALL MARKET PARTICIPANTS IN-HOUSE VAR DATA ON KSE WEBSITE

All TREC Holding Members / Market participants are hereby informed KSE has developed its own Value at Risk ("VaR" risk meter), which calculates VaR of all the listed securities as well as Indices. These numbers are posted on KSE website on daily basis under the section of "Daily Downloads" and under the title "KSE Homegrown VaR Numbers". The same shall continue to appear beside the KSE Official VaR numbers for comparison purposes.

Market participants are requested to send their comments, input, assessment and feedback to the undersigned latest by April 10th 2013 so as to enable management to take the next step.
