NOTICE

IMPLEMENTATION OF PAKISTAN UNIFIED CORPORATE ACTION REPORTING SYSTEM (PUCARS)

The listed companies / issuers of listed securities are hereby informed that the Karachi Stock Exchange Limited has decided to implement new web based announcement system (PUCARS) w.e.f. **September 9, 2013**.

It may be recalled that the training sessions for the purpose have already been conducted for listed companies / issuers of listed securities at Karachi, Lahore and Islamabad.

In the initial phase, the new system PUCARS will run in parallel with the existing fax based announcement system and the companies will be required to send the material / price sensitive information through either systems i-e through FAX or through PUCARS.

However, subsequently the new system will replace the existing fax based announcement system, the date to be notified later.

In view of the above, all listed companies / issuers of listed securities that have still not obtained the RSA SecurID Token are advised to contact the Office of the Exchange and collect the RSA Token, immediately. It is further notified that at a later stage and upon full fledged implementation of the system, the companies that failed to acquire the RSA Token will be treated as non-compliant of the (Correspondence Manual) requirements of the Listing Regulations of the Exchange and as such, shall be liable for action as may be deemed appropriate.
