

VISIT OF US SENATOR TO KSE

(KARACHI, May, 27 2008) Mr. Adnan Afridi, Managing Director Karachi Stock Exchange welcomed a high powered US delegation led by Senator Robert Casey Jr, Council General Kay Anske and Aides on 27 May, 2008. Mr. Adnan Afridi presented an overview of Pakistan economy and the prevailing opportunities and challenges facing Pakistan. He briefed the Senator extensively on the capital markets in Pakistan and the Stock Exchange in particular, discussion revolved around corporatization and demutualization of the Karachi Stock Exchange.

Senator was impressed with the operations of the Karachi Stock Exchange and the MD's vision to make KSE a world class trading platform. It was also mutually discussed how US and Pakistan can work together to develop Pakistan's economy.

The US Senator expressed his pleasure for a chance to visit KSE. He termed it as an important meeting between both the countries in terms of economic co-operation and hoped that such visits will be encouraged in future.
