## PRESS RELEASE

(Karachi, December 24, 2012): STAP and KSE organize investor awareness program for accounts professionals on December 22, 2012 at registered office of the exchange.

Karachi Stock Exchange, in collaboration with Society of Technical Analysts Pakistan, organized an investor awareness program for students pursuing the accounting profession on the topic of “Managing Personal Finance“.

The workshop was conducted by Mr. Sibtain Mustafa (Head of Sales Elixir Securities). In the Presentation, attended by more than 100 Students, Sibtain Mustafa outlined the importance of Managing Personal Finances.

Speaking to students, Mr. Sani-e- Mehmood Khan, the Head of Market Development at KSE said that “each season of your life brings different challenges, but with appropriate blueprint i.e. planning and execution, you will gain stability and confidence you have been looking for”.

Speaking on the occasion Mr. Ovais Ahsan, President STAP briefed the students on market strategies and upcoming plans, while Marketing Director of STAP Ufaq Zehra also gave an overview of the upcoming launch of courses to be offered by Canadian Securities Institute in Pakistan.
