**List of Practicing Firms having Satisfactory QCR Rating
(As on August 24, 2017)**

Based on our review, nothing has come to our attention that causes us to believe that these firms have not carried out the audit of their clients in accordance with the International Standards on Auditing as adopted in Pakistan.

This opinion has been expressed for the limited purpose of communicating our understanding of the adherence to the professional standards by these firms in conducting the audit of their clients. This does not in any way absolve or reduce the professional responsibility of these firms in expressing their audit opinion on the financial statements of audit clients.
